

Was Troubled With Sour Stomach and Biliousness

Miss Bessie O'Leary, Campbellford, Ont., writes:—"I was troubled with sour stomach and biliousness for two years and could get no relief until I tried Milburn's Laxa-Liver Pills. I had only taken them a short time when I felt like a new person, and now I can recommend them to all sufferers."

There are very few people who have never suffered from a sour stomach or biliousness, but to those who are we can highly recommend our Milburn's Laxa-Liver Pills, as they are a specific for these not dangerous but very unpleasant complaints.

The price of Milburn's Laxa-Liver Pills is 25c. per vial or 5 vials for \$1.00 at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

GOSSIP.

Volume 29 of the British Shropshire Sheep-breeders' Flockbook, has been issued from the press and a copy received at this office, through the courtesy of the Secretaries, Alfred Mansell & Co., Bingley Hall, Birmingham. This volume contains 205 pages, the pedigrees of 208 stock rams, and a large number of flocks, a list of prizewinners at leading shows, and of Shropshires exported from Sept. 29th, 1909, to Sept. 29th, 1910, conditions of entry in the following volume, etc.

Notice the advertisement of Oxford and Hampshire Down sheep, by Henry Arkell & Son, of Arkell, Ont., near Guelph, who write: "We do not intend to exhibit this year, but can supply yearling and ram lambs for the show-ring. They are the best lot we have had for many years. We are also offering a nice lot of yearling and two-shear ewes, both Oxford and Hampshire, from imported stock. Although the weather has been hot and dry, the sheep have done exceedingly well. Wish every success to 'The Farmer's Advocate,' which we find a very good advertising medium."

The flock of sheep at the Arizona Experiment Station numbers 371 head, and these are grazed and fed on 35 acres. About thirty acres is seeded to alfalfa, and the remainder is planted with milo maize. Six head of horses and two milk cows are fed from the same land, in addition to the sheep. Barley, as an interculture, is regularly planted in the fall for winter pasture. Thirty-five and one-half tons of alfalfa for winter feed had been harvested from this strip by June 1st. The foregoing is an item from Hoard's Dairyman, and shows the value of alfalfa for stock feeding, and if ten sheep can be kept on one acre by this method, surely alfalfa is a paying crop. Farmers who have not tried either alfalfa growing or sheep breeding, would find either or both profitable.

The Lakeview herd of Holsteins, writes the proprietor, E. F. Osler, Bronte, Ont., has been progressing favorably during the past year. Count Hengerveld's Fayne De Kol is leaving some good stock. A dozen or so of his first heifers will freshen and be tested here this winter, and we are anxiously waiting to see results. His sons have been easy to sell, and I have only two on hand that come near the serviceable age. There is, however, a big crop of bull calves that will come on for sale this winter, ten of them out of cows that average 20.41 lbs. of butter each in seven days, the highest being a son of Rose Kattler, whose record is 24.19 lbs. This is a good calf, nicely marked, and will make a good herd-header for someone. Count Hengerveld's Fayne De Kol and a few others will be at Toronto Exhibition, but the Lakeview herd is not making a specialty of the show-ring, rather aiming at utility.

TRADE TOPIC.

SHOW OF SELECTED SEED.—L. H. Newman, Secretary of the Canadian Seed-growers' Association, has issued a pamphlet containing the different prizes offered by this association for seed grown, selected and exhibited in Ontario in 1911, the exhibit to be made at the Ontario Provincial Winter Fair at Guelph. Some ten classes are included in the prize list, and are made up of wheat exhibits, group exhibits, corn and potato exhibits, and three special prizes. New beginners are encouraged by special classes being provided for them where they do not have to come into direct competition with former winners. This gives all who wish to exhibit a chance of winning, and every member of the association should send an exhibit to this Exposition, and do his part in making the next Fair a great success. The prizes are worth competing for, and to further encourage growers, the Association agrees to refund all transportation charges over \$1 on all exhibits. The general rules governing the Seed Department of the Fair may be found in the official premium list, a copy of which may be had later. If any members have not received a pamphlet containing the prize lists, they should communicate with Mr. Newman, Department of Agriculture, Ottawa.

HIGH CLASS JERSEYS BY AUCTION

AT THE UNION STOCK YARDS,
WEST TORONTO, ON.

Thursday, Sept. 7, 1911

COMMENCING AT 12.30 HIGH NOON

Mr. Thompson Porter will sell by Auction, absolutely without reserve, as the farm has been sold, his entire herd of 30 head of St. L. and Golden Lad Jerseys, consisting of 30 cows and 15 two-year-old heifers in milk, 25 heifers and calves under one year, 9 young bulls fit for service, and the two stock bulls Golden Fox and Stockwell Lad.

The cows are mostly St. L. family, being rich, heavy milkers, the test for the herd being 5.9 per cent., with a number of them going over 40 lbs. of milk per day. Two are of Fern Lad breeding, "Fontaine's Blue Bell" and "Brilliant's Fontaine," with their beautiful son and daughter, Fontaine, being half sister to Noble of Oakland's, the Coopers \$15,000 bull, and the \$7,000 cow, Lady Viola, is her G. dam. She is a beautiful cow, very rich and heavy milker, making herself to be the richest and most profitable producer of both milk and butter, so says the report of the 120 days testing for the cheapest producing cow of all breeds at the St. Louis Exhibition when the Jerseys took 15 prizes out of a possible 16. For more particulars see catalogue.

Terms of sale 5 months' credit by giving approved bankable paper. Bids by letter in order. Catalogue on application to:

Auctioneer:
J. H. SMITH

THOMPSON PORTER, Proprietor,
1520 St. Clair Ave., TORONTO, ONT.

Brampton Jerseys

Bulls fit for service are getting scarce. Just a few left. Yearling heifers in calf are in great demand; 6 for sale; 6 now being bred. Brampton Stockwell the sire. A few good cows and some calves for sale.

Production and quality. B. H. BULL & SON, BRAMPTON, ONT.

FAIRVIEW FARMS HERD—HOME OF:

Pontiac Korndyke, the only bull living that is the sire of four 30-pound daughters, and the sire of the world's record cow for seven and thirty days.

Rag Apple Korndyke, sire of eight A. R. O. daughters that, at an average age of 2 years and 2 months, have records that average 17 1/4 lbs. each, and over 4.2% fat for the eighth. Three of them made over 20 lbs. each.

Sir Johanna Colantha Gladi, whose dam and sire's dam average 33.61 lbs. each or 7 days, which is higher than can be claimed for any other sire of the breed.

We are offering some splendid young bulls for sale from the above sires, and out of daughters of Pontiac Korndyke and Rag Apple Korndyke.

E. H. DOLLAR, (near Prescott) HEUVELTON, NEW YORK

HOLSTEINS AND YORKSHIRES

More high-record cows in our herd than in any other in Canada, including the champion Canadian-bred three-year-old, and the champion two-year-old of the world for yearly production. The sire of these champions is our main stock bull. We have a large number of heifers bred to him that will be sold right to make room for our natural increase. Also bull calves for sale. We are booking orders for spring pigs, also sows safe in pig. We invite inspection of our herd. Trains met at Hamilton when advised. Long-distance Bell phone 2471 Hamilton.

D. C. FLATT & SON, MILLGROVE, ONT. R. F. D. NO. 2
