

TREE SPRAYERS!

We offer an improved Fruit Tree Sprayer made of galvanized iron, with rubber pipe attachment; a strong, durable article for only \$1.50. It throws a continuous stream or spray, and will throw it with ease over any ordinary fruit tree. Every person who has fruit trees should also have a sprayer.

Our \$15 single harness is excellent value. It is admired wherever it is sent. The question always is, "How can we do it for the money?" Our quick sale, small margin, spot cash system, accounts for it all. This \$15 harness is the same as ordinary saddlers sell for \$25. Prove the accuracy of that statement by sending for a set. This harness is full nickel-plated, the bridle, rosettes, terrets and hackband with its accompanying pad make one of the most handsome and most durable sets of single driving harness ever offered in Canada.

Our \$16 Road Carts sell like hot cakes. Why? Because they are at once the cheapest and the best road carts made in the Dominion to-day. Send us \$16 in a registered letter or send us a post-office order for that amount, and we will send you an easy riding, even balanced, durable road cart of good material. The axles and tires are warranted steel while the woodwork is second to none.

240-lb. Union Scales, properly stamped and inspected, price \$5 each; 1,000-lb. Platform Scales only \$12.90.

We want every thresher in Canada to send his post-office address to us. We have good news for the threshers. Our American Amber Machice Oil, at 30c. per gallon in barrel lots, cannot be surpassed for agricultural machinery. Send us ten cents and we will mail you a sample of this amber oil.

We would like also to place our price list in every farmer's hands, and we will be only too pleased to mail one to any post-office address sent us. Ask for our 1892 free price list; it is interesting to all spot cash buyers. Think of a three-spring sweat collar for only 30c., or a pair of whiffletrees for farm use, all ironed off, for only \$1.00 per pair. Is that not interesting? Write for our free price list.

For \$1 we will mail the full working plans of a modern farm barn. Our terms are spot cash with all orders, and our prices are low in accordance with our terms.
