

A Noble Worker.

To the Right Reverend Edward Sullivan, D.D., D.C.L.,
on the completion of the tenth year of his Lordship's
Consecration.

Right Reverend Father, I have heard it said
That "distance lends enchantment to the view,"
But those who would Algoma's beauty see
Must dwell therein, and sacred interest take
In all the labours which the past ten years
Display to mankind of your noble work,
Who left the high positions held so well
In cities great, where luxuries abound,
And since refused more tempting offers still,
That you might for the Lord our Saviour's sake
Brave all the dangers of the land and sea,
And visit Indian wigwams, where the souls
Of savage men were held in heathen gloom,
Combined with early settlers in the bush,
Whose poverty at first could not secure
Sufficient shelter from the winter's cold:
In perils also on the stormy lakes,
And through the forest and the dismal swamps,
Or over roads so-called, of rock and stones,
Till winter came, then deep with drifted snow;
And periodically far removed
From telegraph or postal news of home;
Then frequently to cross the ocean vast
In search of help and means to preach the truth
Of God's salvation through the wide extent
Of fair Algoma's fifty thousand miles:
Your lordship's high reward shall be proclaimed
On that great day, when Jesus shall appear
To crown with life eternal all His saints.
Yet even now the crowning is begun;
The past ten years do manifest the same,
For all throughout the diocese where once
The wild beasts of the forest had their dens,
Ate mission fields with churches and with schools,
Where thousands meet to worship Israel's king:
Long may your lordship be endowed with power
A bishop's highly honoured place to fill,
And at the last a crown of glory wear
For ever near the throne of God in heaven.

REV. L. SINCLAIR,
Priest in the Diocese of Algoma.

"I would like to sound the praise of Hood's
Sarsaparilla over the entire universe," writes Mrs.

Canada's Great Fair.

SEPT. 5TH TO 17TH, 1892.

The citizens of Toronto have voted \$150,000 to the Toronto Industrial Fair for improvements to be made on the grounds for this year's Exhibition, which is to be held from the 5th to the 17th Sept. next. About 50 acres have been added to the present grounds, and a new race track and new grand stand to seat twelve thousand people is being built and many other improvements are being made. Consequently this year's Fair promises to be greater and better than ever. A large number of fine special attractions have been arranged for and several new features are promised. The Exhibits in all departments will be larger and better than at any previous Fair, and will include many that have been prepared for the World's Fair next year. Cheap excursions will as usual be run on all railways and the attendance of visitors will be no doubt as large as ever. All entries have to be made on or before the 13th of August, but most of the space in all the buildings for the exhibit of manufactures has already been applied for. For copies of the prize list and programmes drop a post card to Mr. Hill, the Manager, at Toronto.

Professor Cooke's Saltpetre Remedy.

Dissolve one tablespoonful of saltpetre in a pail of water. A pint poured around each hill of cucumbers or squashes is very good for the plants and very bad for the bugs, both striped and black, which burrow at night in the earth about the plants. Cut worms are also said to dissolve like earth treated with saltpetre. This is a remedy which would certainly be very useful to the plants, and if, as is claimed, it destroys or keeps away insect marauders, it will prove most valuable. This saltpetre solution is useful to any plant which is attacked by insects which at any time burrow in the ground. It does not appear to be wholly certain, however, that it is as efficacious an insecticide as could be wished.

Our Special Offer.

In addition to our other offers we will give to any person sending us (200) two hundred annual subscriptions to the CANADIAN CHURCHMAN, at \$1 each, a first-class Safety Bicycle, cushion tire, of the value of \$75.

To any one sending us (150) one hundred and fifty annual subscriptions to the CANADIAN CHURCHMAN, at \$1 each, a first-class Safety Bicycle, hard tire, of the value of \$60.

Hints to Housekeepers.

COOKIES.—One and a half cups of brown sugar, one cup of butter, two eggs, one cup of currants, two great spoonfuls of sweet milk, small teaspoonful of soda; cinnamon, cloves, nutmeg to taste.

LINES FROM LYONS.—Dear Sirs,—For several years my sister suffered from liver complaint. As doctors gave her no help we tried B.B.B., which cured her completely. I can recommend it to all.

MISS MAUD GRAHAM, Lyons, Ont.

CREAMED POTATOES.—Chop cold boiled potatoes fine, and put them into a saucepan with a little butter; add pepper and salt to taste; stir occasionally, so as not to brown them; just before taking up, add a cup of rich sweet cream; cook a minute longer and serve.

STRONGER EVERY DAY.—Gentlemen,—I have been ill for a long time with lame back and weak kidneys, and at times could not get up without help. I tried B.B.B. and with two bottles am almost well. I find my back is stronger every day.

Yours truly, MRS. L. THOMPSON, Oakville, Ont.

SAUTE POTATOES.—Scrape new potatoes, put them in a stewpan with sufficient water to cover them, add a little salt, let them boil until cooked, strain them, then cut in slices, and place them in a frying pan with a small lump of butter; fry a light brown, occasionally turning them. When cooked sprinkle some seasoning and a little finely chopped parsley over them; put them in a hot dish, squeeze the juice of a lemon over them, and serve immediately.

A CLOSE CALL.—After suffering for three weeks from cholera infantum, so that I was not expected to live, and, at the time, would even have been glad had death called me, so great was my suffering, a friend recommended Dr. Fowler's Extract of Wild Strawberry, which acted like magic on my system. But for this medicine I would not be alive now.

JOHN W. BRADSHAW.

BREAST OF VEAL WITH GREEN PEAS.—Chop a small onion very fine, then place it with two tablespoonfuls of butter in a stewpan; add a two-pound breast of veal cut into eight pieces, and some salt and pepper; place on a slow fire and let fry a pale brown, then add one pint of stock broth, and let simmer gently two hours; take off every particle of fat, add a little roux, and let boil. Then add more than a pint of freshly shelled peas, and let simmer thirty minutes. Place the veal on a hot dish, pour the sauce over it, having added just at the moment of serving a very little finely chopped mint; put the peas around and serve at once.

False Economy is practised by many people, who buy inferior articles of food because cheaper than standard goods. Surely infants are entitled to the best food obtainable. It is a fact that the Gail Borden "Eagle" Brand Condensed Milk is the best infant food. Your grocer and druggist keep it.

HICKORY NUT CAKE.—One cup of sugar, one-half cup butter, one-half cup milk, two cups flour, one teaspoonful cream tartar, one-half teaspoonful soda, one large cup raisins, one cup nuts broken up, two eggs.

FRIED BOILED EGGS.—Slice hard-boiled eggs, dip in raw egg and bread crumbs, fry in butter, and serve on tiny sippets of toast.

Business College Scholarships

Within the Power of Every Girl and Young Man.

A BUSINESS TRAINING WITHOUT COST.

THE great advantage in these CANADIAN CHURCHMAN offers is that there is no competitive element in them. Every girl or young man stands the same chance. It is not a question of who secures the largest number of subscriptions—the girl or young man in the smallest village has the same good chance as the one in the thickly populated city. Each can get precisely what he or she chooses to work for.

THE BUSINESS CENTRE SELECTED.

THE large Business Colleges selected by the CANADIAN CHURCHMAN to which to send our girls and young men are probably the best and most liberally equipped in the country. They are "The Toronto Business College" and "The British American Business College," both in Toronto. Girls and young men from all over the Dominion are within their walls, and the most skilled teachers preside over them.

WHY THE OFFERS ARE GENEROUS.

THE CANADIAN CHURCHMAN is anxious that the largest possible number of girls and young men should take advantage of these offers for a Free Business College Commercial Training, not because of any pecuniary profit to itself, for there is none. The simplest calculation will show, to any one who studies the offers, that we are not guided by any money consideration. On the other hand, each successful girl or young man whom we send to the Colleges means an actual financial outlay to the CHURCHMAN beyond the income. We have merely changed our methods of business. Instead of spending all on advertising and commission appropriation, we devote a portion of it to this idea, the girls and young men receiving the benefit, while we are satisfied to have the subscriptions which they secure on our books, feeling confident that we can hold the subscribers, in which lies our eventual profit. Of course, in view of these facts, the offers cannot be continued indefinitely, as any one can easily see. It is important therefore that girls and young men should enroll themselves on our books as desirous of trying for the offers. Any girl or young man can learn all particulars by simply writing to the CANADIAN CHURCHMAN, and details will be forwarded. The offers are as follows:—
