A SUGGESTION IN HEATING

DURING thirty years' experience in the manufacturing and installing of heating systems we have noticed that in many cases a really good furnace does not give satisfaction because it is not properly installed. In order to hold our position as the Leading Furnace Manufacturers, it is necessary that our furnaces be properly set up, and we have used a plan which enables us to control the setting up of the majority of our systems. We ask all who are interested in heating to send us a sketch of their buildings, and offer to return the sketch accompanied by a complete plan of the heating and the price of the system. This ensures that the furnace will be set up so as to give the best results. Write us.

To Make Home Pretty and Attractive

Is the wish of every lady. Perhaps we can help you a little by improving some unrightly arch, a nice piece over a bay window, a screen for a stairway, a cozy corner, a handsome stationary or folding screen. The expense will not be much and would add greatly to the appearance of the rooms. We make these in Moorish fret work, Japanese fret work, scroll or grille work, all combinations of the different styles and makes, finished in any kind of wood desired. For further particulars address
