The KARN CHURCH ORGAN

The Choice of Those Who Know

Those whose business it is to use church organs—the organists—will tell you how superior it is. It has taken a lifetime of thought and study to make it the beautiful instrument it is.

The Ven. Archdeacon Van Kleek, D.D., who has been for the past 25 years Archdeacon of Westchester in the diocese of New York, was recently upon his retirement therefrom presented by the members of the Archdeaconry at a public meeting which was presided over by the Right Rev. Dr. Greer, with a superb chalice and paten. The Bishop made the presentation and also presented Mrs. Van Kleek with a beautiful bouquet of roses

The Bishop of Bristol, who was born at York on December 4, 1833, and is now the oldest of our Diocesan Bishops, completed his seventy-eighth year recently. He is still alert and vigorous, and in addition to the historical work for which he is noted, he goes about his diocese with the energy of a man of forty-eight rather than seventy-eight.
