### LIVESTOCK ASSOCIATIONS

At the annual meeting of the Saskatchewan Horse Breeders' Association held during the Regina Winter Fair, the following officers were elected for the year: President, Robert Sinton, Regina; vice-president, Hugh Gilmour, Pasqua; directors, Alex. Mutch, Lumsden; A. A. Downey, Arlington Beach; Peter Horn, Regina; and H. Taber, Cordie, who will also represent the association on the Provincial Stallion Licensing Board.

Dr. Creamer, Qu'Appelle, gave an address outlining the federal government's plan of assistance to horse breeders, the government offering to pay 25 per cent of the service fees of an approved stallion to any breeders' club guaranteeing one hundred mares. The question of changing the time of the winter fair to the fall of the year was considered, but it was decided to leave the date as at present. It was resolved that the annual meeting should be held at some other time than the Winter Fair, when more attention can be given to association business. The fixing of the date and place for the meeting was left to the executive.

The other livestock associations elected officers as follows:

Cattle Breeders' Association: President, J. G. Robertson, Davidson; vice-president, J. W. Barnett, Moose Jaw; directors, W. C. Sutherland, Saskatoon; A. B. Potter, Langbank; John Brandt, Edenwold.  
Sheep Breeders': President, E. E. Raynton, Big Stick Lake; vice-president, F. T. Skinner, Indian Head; directors, J. L. Beattie, Piapot; Geo. Logan, Tuxford, and H. Follett, Duval.

Swine Breeders': President, A. B. Potter; vice-president, W. C. Sutherland; directors, R. Douglas, Tantallon; S. V. Tomecko, Lipton, and H. Follett, Duval.

P. F. Bredt, acting livestock commissioner, was elected secretary of each association, in succession to J. C. Smith, who is with the forces.

At a banquet tendered to Capt. A. F. Maitle and Capt. J. C. Smith, late deputy minister of agriculture and livestock commissioner for the province, respectively, at the King's Hotel, Regina, on March 16, each was presented with an illuminated address and gold signet ring in recognition of their work on behalf of the livestock associations of the province.

### PUREBRED BULL SALE

At the sale of purebred bulls in connection with the Regina Winter Fair, 78 bulls of Shorthorn, Hereford, Angus and Holstein breeds, sold for a total of \$13,555, or an average of \$173.78. The breed averages were as follows: 54 Shorthorns, average \$179.63; 12 Herefords, average \$187.50; three Anguses, average \$253.33; nine Holsteins, average \$93.88. The average for the beef breeds was \$184.20, or \$1.60 higher than the average at Brandon bidding was spirited throughout the sale, which was conducted under the auspices of the Saskatchewan Cattle Breeders' Association. R. McMullen, Regina, acted as auctioneer.

### SENSATIONAL HEREFORD SALE

On March 1, Overton Harris and Sons, Harris, Mo., sold 61 Herefords at an average price of \$1,246. Twenty-eight bulls averaged \$1,628 and 33 females \$922. This is a world's record in the selling of Herefords at public auction. The Harris family have been over 20 years in the business. "Repeater 63rd" the American Royal Junior Champion last year, topped the sale at \$8,100, while "Repeater 7th" brought \$7,000. "Repeater" blood predominated in the sale, six of "Repeater's" sons averaged \$3,642, and 24 sons and grandsons averaged \$1,766. What greater tribute to the value of a good sire could be asked?

This whole sale is a wonderful tribute to the greatly increased appreciation of Herefords as economical and adaptable beef producers. This breed has been setting great records of late.
