Eczema, Salt Rheum.

Eczema or Salt Rheum, as it is often called, is one of the most agonizing of skin diseases. It manifests itself in little round blisters, which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed.

The intense burning, itching and smarting, especially at night or when the part is exposed to any strong heat, are almost unbearable. The pre-eminent success which Burdock

Brood Bitters has met with in permanently curing a disease of such severity is due to its wonderful blood cleansing and purifying properties.
