WANT AD HOROSCOPE... June 14. Persons wishing better positions with larger opportunities will do well to patronize the Want Ads. to-day and Monday.

This birth date gives a person an exceedingly sensitive disposition and one who does not place enough value on their own ability. This weakness should be conquered, for, through will and desire, every man may attain the power to make himself successful in business.

"Think and Act" must be the slogan of the person born on this date. A woman with this birth date is not wise in the selection of her companions and will suffer injustice. She has not been discrimination in the reading of characters.

This period will favor the finding of good positions in the country, on the water or travelling. Search the Want Ads. for congenial work the coming week and you will be aided.

Agents will study the Want Ads. to their advantage this week.
