# WOMEN'S HOSPITAL AID

The regular monthly meeting of the Women's Hospital Aid was held in the Library on Friday morning last with a good attendance, and was presided over by the President, Mrs. Schell.

The secretary read the minutes of the last meeting and the treasurer presented the financial statement, showing receipts for the present year \$79.23; disbursements, \$40; balance in hand \$39.23. Total balance of the W. H. A., at the end of 1916 was \$5,382.48.

Fees, \$2 was paid in by Miss Jones, North ward, and 75c by Mrs. Mitchell, centre city.

Those responsible for the success of the annual re-union, which was held in the Conservatory of Music Hall on Wednesday, Feb. 28th, were accorded thanks generally, and a hearty vote of thanks was given to convenors, and helpers with refreshments, with special mention of the H. A. young ladies.

Several members were reported ill, to whom letters conveying the sympathy of the auxiliary will be sent.

The lady superintendent of the hospital, Miss Ford, who has been ill for some weeks, but is now slightly better, also received a vote of sympathy, with flowers to be sent by the secretary.

The visitors at the hospital for February were Mesdames Colquhoun and G. D. Watt, who had visited regularly each week. The hospital was full of patients and space was at a premium most of the time. There were five patients in the isolation. The visitors took up oranges, jellies, magazines, etc., and the patients expressed pleasure from their visits.

Mrs. Morgan Harris and other ladies of Mt. Pleasant, will take charge of the visiting during March.

Mrs. Livingston, for the Patriotic League, gave a short report, praising the children of the various schools for their useful assistance in knitting socks and other good work. She wished to enlist the co-operation of W. H. A. in the use of art, loan entertainment to raise funds to provide a club room for returned soldiers, and asked that all having articles of historic value or of unusual interest should loan them for this occasion. The full assistance of the W. H. A. was gladly promised in this praiseworthy undertaking.

It was resolved that small receipt books be provided for collectors of fees, and a committee was named to procure them with as little delay as possible.

Reference was made by the president to the W. H. A. balance of \$3,350, now in the hands of the city treasurer, as to what disposition should be made of it—certain things were always needed and must be procured.

In this connection, it was moved by Mrs. Nellie, seconded by Mrs. Livingston, and carried, "That this fund now with the city treasurer, be not drawn upon, unless it be for some large undertaking in connection with hospital work."

It was thought that the ordinary revenue arising from fees, rose day, collections and rummage sale would suffice for all current expenses this year, as they did last year, and that there need be no curtailment in any way.

Edward N. Mortimer, a Brockville G.T.R. engineer, who died this week, requested that people inclined to spend money on flowers, lay instead the money on his coffin to be given to the Belgian Relief fund.

In order to facilitate movements of overseas freight and ameliorate the freight situation generally it has been decided to withdraw the I.C.R. "Ocean Limited" between Moncton and Montreal.

A heavily-laden east-bound troop train was derailed about a mile east of St. Lambert Station, Que., but the providential breaking of the engine

from the tender, which set the automatic brakes on the twelve coaches, brought the train to a standstill after one coach had left the rails.
