

SPECIAL NOTIFICATION

KOENIG & CO'S CLOTHING STOCK

(BETTER KNOWN AS THE SEMI-READY SHOP)

DOOMED

Now in the Hands of the National Salvage Company to be Sacrificed.

The Public Benefits

On October 28th, Wednesday at 9 A. M., at Brockville, Ontario, Koenig & Company's entire clothing stock, consisting of \$20,000 worth of the very best clothing for men, boys' and children, hats, underwear, furnishing goods, etc. The entire stock, which is now in the hands of the National Salvage Company of Toronto, for immediate disposal, will be thrown on the market at forced sale to the public and sold for what it will bring. The National Salvage Company of Toronto, who bought the entire stock and fixtures of Koenig & Company, say that they propose to sell this entire stock of men's clothing, furnishings, etc., out immediately, and within a few days' time, at low prices never heard of before. The National Salvage Company say that they positively will not move, pack, ship or haul away one dollar's worth of Koenig & Company's clothing stock, that it must and will all be sold in Brockville, Ontario, and that at the prices this entire stock of men's overcoats, suits, pants, etc., which is now being invoiced—and will be sold to the public at about 40c on the dollar,—that they expect everything to be sold out quickly, inside of ten days' time. This is a sacrifice clothing sale, such as the public have an opportunity to attend about once in a life time, and all the people of Brockville, Leeds County and surrounding country will, without question of a doubt, take advantage of this grand opportunity to secure for themselves men's suits, men's overcoats, children's clothing, men's furnishings, etc., at about forty cents on the dollar. The manager of the National Salvage Company informs us that they have engaged many extra salespeople in order to serve the vast crowds who will attend this forced, closing out, quit business sale of Koenig & Company's stock at Brockville, Ontario. It will certainly be a great feast of men's clothing bargains, suits, overcoats, etc., and the sale will no doubt attract thousands of people to Brockville, Ontario. Koenig & Company have only been in business three years, and as the stock is practically new, it will likely be sold the first four days of the sale, as the public are always ready to save themselves one-half on their clothing purchases, whenever that opportunity presents itself, and this certainly is your chance to supply yourself with clothing wants at about one-half actual value of the goods. Merchants from Brockville or vicinity, wishing to buy portions of this stock or any part of the fixtures, safes, counters, etc., will please call between the hours of eight and nine a.m., as all other time will be devoted to the immense crowds of people who will wish to buy this stock out at retail by the single articles, such as suits overcoats, hats, shirts, underwear, etc. The store, which is now closed will remain closed in order to get the entire stock invoiced and all goods marked down in plain figures to the very lowest possible limit, in order to sell the suits and overcoats out rapidly, as the entire stock must and positively will be sold out entirely within a few days after the sale starts, so be on hand on the opening day if you possibly can, and you will secure the greatest clothing bargains of your entire lifetime. This sale is a God-send to the people, coming as it does at the time of the year, and right in the height of the fall season, giving you an opportunity to save yourself ten to fifteen dollars on the purchase of a suit and overcoat. Understand and remember the store will not be open for business until the opening day of this great sacrifice, closing out, quit business, forced sale which starts Wednesday morning at nine a.m., October 28th. At the prices we understand this stock of clothing, suits, overcoats, etc., will be sold at, the public may well be prepared to take quick action, and we predict that the entire stock will melt away rapidly, like a snowfall before a July sun. A word to the wise and intelligent should be sufficient, and we advise you as man to man to be on hand early, attend this sale and benefit accordingly. Drop everything. Make your arrangements to be there on opening day, Wednesday, October 28th, or on one of the ten special days, in justice to yourself and pocketbook. If you need men's clothing now or for the next three years, you cannot afford to miss this sale of Koenig & Company's clothing stock, which is now in the hands of the National Salvage Company for immediate disposal on the above dates. Sale takes place at Brockville, Ontario. Look for the big green and white sign. Be careful, be sure you find the right store. You cannot afford to miss this sale at Koenig & Company's store, Brockville, Ontario.

Read the following testimonial from a man you all know:
Bedford, Ont., Aug. 26th, 1908
Mr. W. A. Singleton, Crosby, Ont.
Dear Sir— I think it my duty to tell of the great good St. Regis Lumbago Cure has done me. I was troubled with Lumbago for about six years, sometimes could scarcely raise up from a chair. I tried several doctors and took nearly every kind of patent medicine and would be a little better while the medicine lasted, but when it was done I was not fit to work. About the first of June I was advised to try St. Regis Lumbago Cure, and am happy to say I had not taken half a bottle till the lumbago was all gone and I have not felt any return of the ailment since that time. I take great pleasure in recommending it to others who may be troubled with Lumbago or kidney troubles, for I have found it to be all it is recommended for, and a trial will be better for anyone than a recommendation. Yours very sincerely,
JAMES MCNEIL,
Clerk of Bedford Township.

If your dealer does not keep this medicine, kindly ask him to order same for you as any sized order will be filled promptly. First order, freight prepaid.

NERVOUS DEBILITY CURED

Excesses and indiscretions are the cause of more sorrow and suffering than all other diseases combined. We see the victims of vicious habits on every hand: the pallid, pinched face, dark, circled eyes, stooping form, stunted development, bashful, melancholic countenance and timid bearing proclaim to all the world his folly and tend to blight his existence. Our treatment positively cures all weak men by overcoming and removing the effects of former indiscretions and excesses. It stops all drains and quickly restores the victim to what nature intended—a healthy and happy man with physical, mental and nerve power complete.

For over 20 years Drs. K. & K. have treated with the greatest success all diseases of men and women.

If you have any secret disease that is a worry and a menace to your health consult old established physicians who do not have to experiment on you.

We guarantee to cure NERVOUS DEBILITY, BLOOD DISEASES, STRICTURE, VARICOCELE, KIDNEY AND BLADDER DISEASES. Consult, Men Free. If unable to call, write for a question blank for Home Treatment.

Some odd but true Fair stories are told. Years ago, a woman found the cork had let the vinegar all out of the bottle by the way, and told a kind acquaintance who filled it for her. Then filled a bottle of the same for her own exhibit. The second prize was awarded her, and to the woman she obliged the first prize. On the evening before the Fair, a house wife borrowed a loaf from her neighbor to supply numerous visitors expected—changed her mind, entered it and took first prize on it. The lady she got it from showed her loaf and received second prize.

We want you to see
the Steel-Ribbed Firepot in the

"Hecla" Furnace

The Firepot of a furnace being in direct contact with the fire, contains its most effective heating surface. Any increase in this surface therefore, greatly increases the efficiency of the furnace. That is why STEEL RIBBED FIREPOTS, which have three times as much radiating surface as any other style of firepot, enable the "HECLA" Furnace to save from 10% to 15% of your fuel bill.

This is only one of the many exclusive features of the "Hecla" Furnace. We want to explain them all to you—and prove, by actual tests, that the "Hecla" is the best and most economical furnace you can buy. Stop in any time for a "Hecla" talk and demonstration.
