

Mackenzie, when in opposition, declined to take the field, but when power was taken by the Tories...

The Gov't is already as good as beaten. If its acts were such as to command the confidence of the people...

Mackenzie's steel rails are lying rusting all over the country—bought before they were wanted, at a high figure...

The total surplus under the Macdonald Gov't amounted to \$10,188,288. The deficits under the present Gov't...

There is no better sign of weakness of the government than that so many of its supporters are deserting...

Vote against Mr. Snowball, who supports Mackenzie, the statesman who declared that to build the Intercolonial...

For the Counties of Gloucester and Restigouche, Hon. T. W. Anglin and George Haddow, Esq., have been elected by acclamation.

Vote for Mitchell, who fought for and obtained the Intercolonial by the North Shore.

Deal Ends instead of Money. Says the Chatham Advance: "After the gross earnings of the Chatham Railway were handed over to the Intercolonial...

Two Dollars a Cord is the price of good hardwood, cut into proper lengths, delivered at any railroad station between St. John and Sussex.

Was ever such jobbery as this heard of before? We would like to know how many more such "truck" transactions as this have passed through Mr. Snowball and the Government?

Mr. Mackenzie says three things, few or none of which can be true without the other being wrong. He says that in the making of American goods...

To Consumers.—The production of a remedy that may truly be said to so alter the prospects of the Consumptive as to give hope of cure...

Perhaps Mr. Snowball considers this "deal end" transaction a feather in his cap. He probably points to this as a proof of his "influence" with the Government...

TO THE Electors of Northumberland, N. B. GENTLEMEN:—As the Writs for a General Election for the House of Commons of Canada have been issued, and finding from a personal visit to the Electors of the different Parishes of the County that it is the wish of a very large majority that I should be their Representative, I am therefore again a candidate for your suffrages.

It is unnecessary, with my past Parliamentary record of 22 years before you, to enter in detail into my political views or refer to my past services to the County; they are well known to you. I may, however, state that I am opposed to taxation on the food of the working man—and am in favor of such a re-adjustment of the Tariff as will relieve the necessities of life from taxation, at the same time that it promotes the creation of home industries and home markets.

I believe the policy of the Mackenzie Government has been injurious to our country and therefore I shall feel it my duty to oppose it. I will address the Electors in the several Parishes and will give them in detail my views on the various questions of public interest.

I have the honor to be, Yours very faithfully, P. MITCHELL. Miramichi, 27th Aug., 1878.
