passed directly over to the spot where he had stood. Things began to look more alarming than interesting, but there was no time to consider the matter,

as the animal was again upon him, and again he had to jump. J F. COLLINS..... EDITOR This operation was repated four times, he managing meanwhile to get in several shots, but without effect. As he was jumping for the fifth time to escape the assault, his foot slipped, the Many English journals, in con-bull's horn passing through the sequence of the new French calf of his leg, completely sevtariff, admit that the time is ering the cord, and leaving the drawing nigh when the Imperial adventurer in a helpless and Government will have to deal critical condition. The animal with the question of foreign came bounding down on him

adoption elsewhere of protective was picked up by his friends duties, intends to move in the soon after in a senseless con-

TON DIVINE.

The following is the language ready propounded, of "correct- with which a minister stationing the ideas of foreigners by ed at Fredericton regaled his the name, taste, rank and pedi.. weighting their products with imports sufficient to countervail illegitimate advantages secured under protective tariffs and bounties." This, of course, though a high-sounding sentence, simply means retaliation. There is a difficulty in the way of offering France concessions which will induce the Government of that country te reduce the content of the country te reduce th weighting their products with hearers the other night :- "Life. its tariff. It is this: The new rench tariff imposes specific along fast and furious in the full duties calculated to give the French manufacturer a protection of twenty-five per cent. against English goods. If England was in a position to make land was in a position to make fortune; some dash swiftly on. concessions to France, France fortune; some dash swiftly on, concessions to France, France might in return make concessions to England. But England has no concessions to make in order to purchase the compliance of France to the principles ance of France to the principles.

There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowl, ane give rest to the mother, and relief and health to the child, oporating like magic. It is perfectly safe in all cases, and pleasant to the taste, and is the prescription of one of the oldest female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle

The words used by Brennan in his speech at Killoscully, previous to his arrest, were:

"We see now the landlords proving in Ireland. Five meetings of first-class importance are announced for Sunday, and the attitude of the authorities is watched with some anxiety. Although protected by six hundred troops and police, a process-server at trangoslin, county Leitdred troops and police, a processin any other country, say Eng.. server at Gangoslin, county Leit-land?
