The population of Paisley, as taken by the enumerators, is 1038.

A proclamation is published giving force to the Washington Treaty from the 1st of July next.

John Watson, a young man, a resident of Paisley, was instantly killed there on Thursday by a waggen wheel passing ever him.

Pure Gold, a temperance and literary magazine published at Torento has been analgamated with the Montreal Witness.

Mr. William Smithson, of the Stheonession, Hullett, has fall wheat measuring 33 inches in length, and of a good, healthy colour.

The Congregational Church are making great afferts to raise \$40,000 for the endowment of their college in Montreal.

A movement is on foot to establish a Roman Catholic newspaper in London, its object being to promote the interest of the above church throughout the diocese.

While men were hoisting a beam last corders of the same conditions as orders are now Deminion. In like manner, Fort Garry will issue orders on any money order offices in the Deminion.

While men were hoisting a beam last Friday upon a new building in course of erection at Teeswater, it fell upon them and injured several—one it is feared

Friday upon a new building in course of erection at Toeswater, it fell upon them and injured several—one it is feared fatally.

The infant daughter of Lord Dufferin was baptized at Quebec, on Sunday 15th June. Sir Jehn Macdonald acted as godfather, and Lady Harrist Fletcher as godmether. The name of the child is Vioteria Alexandrina Muriel May.

A conviction for selling liquor after hours, in London, is to be carried to a higher court, where the ground will be taken that the Legislature of Ontario has no power to make law regular ig the sale of liquors.

A rumour is aftoat that additional evidence has no power to make law regular ig the sale of liquors.

A rumour is aftoat that additional evidence has been obtained in support of the Huntington charges, consisting of certain tolograms that passed directly between Sir Hugh Allan and a member of the Cobinet.

The landlady of the Rob Rey Hotel, Tesswater, was terribly burned on Wedneslay night, by her clothes being fired through the explosion of a coal is lamp, which she was lighting. Little hopes of her recovery are entertained.

Talk about the length of time it takes to "got ready." We know a young lady who was invited unexpectedly, at ten o'clock on Friday night, to go to Europe for a year, and sailed at eight on Saturday morning.

There is a report current in Montreal that the Dominion Gavernment have so licited and are likely to obtain the distance of the read and ready morning.

There is a report current in Montreal that the Dominion Gavernment have so licited and are likely to obtain the distance of the read and ready morning.

There is a report current in Montreal that the Odominons to swear that the Rev. Dr. Punshen, who left here for the old country about a mont since, was married there on Wednesdy morning to his third wife, a Miss Foster, of Sheffield.

Judge Johnston, a gentleman Sypers of age, has been appointed Lieutenant.

ing to his third wife, a Miss Foster, of Sheffield.

Judge Johnsten, a gentleman 82 years of age, has been appointed Lieutenant. Governor of Nova Scetia. Judge Johnsten is at present traveling in the South of France, and the announcement of this appointment has created much surprise in the province.

It is rumored in Cttawa that Louis Riel is to receive the appointment of Indian Commissioner in Manitobs, frem the Dominion Gevernment, in order to keep him from running for the vacancy in Provencher, caused by the death of Mr. Cartier.

Mr. Cartier.

A man named Murphy, a switchman at the Grand Trunk Railway station,
Toronto, has been committed to stand

Toronto, has been committed to stand his trial at the assizes, for beating his wife so severely as to cause her death. The man was not drunk when he abused his wife, but seems to have been overcome by passion.

At the cheese fair held at Ingersoll, on Thesedevelar over the committee of the solution of the company, evidencing a confidence in the company, evidencing the disposal of the company, evidencing a confidence in the company, evidencing the solution of the company of the company, evidencing a confidence in the company of the At the cheese fair held at Ingersoll, on Tuesday last, over 50 factories were represented. Seven thousand feur hundred boxes were offered for sale, 2,300 to do their duty and cast a large material for the l

The Belleville Intelligencer says the
cheese business of Hastings Ceanty has
grown to something enormous. A number of the facteries have been compelled
this season to enlarge their manufacturing capacity, and had not the dry weather continued so leng, many others

er continued so leng, many others the present opportunity is thrown away a similar one may never again present it.

The engineers have commenced to locate the line of the London, Huron and Bruce Railroad. It is understood the road will run through Exeter to Clinton and Kincardine. It will not touch Lucan at all, as was at first anticitouch Lucan at all, as was at first anticipated, the ratepayers of that village retaining only a few days ago to grant it a shall bonus, thinking the road would have to run through their village at any rate.

The Ottawa Citizen speaks most entire the county of the Cou

The Ottawa Citizen speaks most encouragingly of the prospects of the crops in the Ottawa country: "The fields of grain in many parts of the country in this vicinity, have, perhaps, never leeked better at this time of the year. The crops are green, and there are no indications that they suffer from drought. The general prospects are encouraging, and the farmers anticipate a very large yield."

An exchange broker, on King street, Toronto, was knocked down with a club, in his effice, on Wednesday forenoen, by twe roughs who entered the office with the intention of committing robbery. After being knocked down, the broker recovered before the rebbersould make their escape, ran to the sidewalk, and calling murder, soon collected a crowd round him. The robbers made their escape without taking anything of value with them, and although pursuit was at once made, they have not yet been captured.

The Wesleyan Methodist Church Conference having had an erganized existence in Canada fer fifty years, it was agreed at the late meeting that asuitable cefforation of the jubilee be held during time.

Canadian Menther. The June of Canadian Menther. The canadian method of Canadian Menther. The June of Canadian Menther. The June of Canadian Menther. The June of Canadian Menther. The month of Canadian Menther. The sum of Canadian Menther. The sum of Canadian Menther. The sum of Canadian

cefebration of the jubilee be held during the ensuing autumn. The month of October was chosen as a fitting time, during which sermons should be preached and public meetings be held to commemorate, the event. It was also agreed to obtain, by subscriptions and donations, a considerable sum of money, which would be devoted to objects of denominational interest.

to obtain, by subscriptions and donations, a considerable sum of money, which would be devoted to objects of denominational interest.

A traveler writes from Southampton, County of Bruce, that it is a very small place, with ne visible means of subsetence whatever. Still, its position is naturally good, and it pessesses one of the best harbours in the Deminion. Here, while bering for salt, at 1,250 feet, a spring was struck of mineral water, powerfully magnetic. You need merely dip your knife in the water to render it lastingly magnetic, so that you can lift a nail from the floor with it. It is one of the most remarkablesprings ever seen or heard of, and if pransal.

managed could be put to profitable use.

Mr. William Robb, of the township of Logan, met with rather a strange accident a few days age. He had just unhitched his team from the plew, and was allowing them to walk on te the stable before him. One of them stopped to eat some great, when, raising his foot to kick the animal to make it go on, his foot coanght in the trace chain which was hocked up in a leep. The here started to run, threwing Mr. Robb on the ground and dragging him by the foot, when near the stable his head came in good wood shed, soft and hard water when near the stable his head came in
