HAVE YOU SEEN

The crowds that congregate on the street corners, not talking Commercial Union, but about PRIDHAM BROS' CHEAP SUITS and the verdict of every one is that Pridham Bros. "are a wonder," selling those elegant suits, cut and made right in their own establishment, and every one fits like the paper on the wall,

FOR \$7.00 A SUIT

and upwards. They are selling like hot cakes. Of course you do not notice them because they are so much like the ordinary ordered clothing you see every day and what you have been in the habit of paying \$16.00 and \$18.00 for. If you wish to save money just call and see them. You will be more than pleased.

ORDERED DEPARTMENT.

The needs of our patrons in ordered clothing are various, and they require careful study. It has been ours through long experience, appreciation of a FIRST CLASS TRADE, and careful selection, to create and foster a demand for high-class goods, and we have the satisfaction of knowing that in excellence of quality, combined with moderation in price, our patrons are agreed that we maintain the reputation we have earned as the leading tailors in the County of Huron. Our FALL STOCK is now complete, which is this season the finest ever imported into Goderich. Elegant Overcoats, Beautiful Trousers, Magnificent Suitings, &c. Your early order is solicited.

F. & A. PRIDHAM.

Trickermish.

Mr Alexander Ross has purchased 320 acres of land from Mr. W. Murray, jr., in the Algoma district, near Port Huron, for the sum of \$1000. Mr. Ross intends the land for his son, as he is one of our wealthiest and most thrifty farmers. We wish Mr. Ross and his sons abundant success.

REMOVING TO OTTAWA.

The Canada Lumber Company to Withdraw from Carleton Place. Ottawa, Oct. 5.—The Canada Lumber Company contemplates removing its headquarters from Carleton Place to Ottawa. The company employs about three hundred men. The reasons given for the step are, first, that the rental of the water privilege at Carleton Place is out of proportion to the power obtained; second, the high rate of taxation; and, third, the very high freight rates on the Canadian Pacific Railway. The company have come to the conclusion that they can cut their logs at less cost and ship them to better advantage at Ottawa, where the water route and the Canada Atlantic Railway can be utilized to ship the sawn lumber.

THE K. OF L. ASSEMBLY.

Mr. Powderly Introduces Resolutions of Sympathy With the Irish People. MINNEAPOLIS, Minn., Oct. 5.—When Mr. David had concluded his address to the Knights of Labor General Assembly today, Mr. Powderly introduced resolutions, which were received with enthusiasm, expressing hearty sympathy for the Irish people and condemning the oppressive laws by which Ireland is governed and the coercive acts of the English Government. Five-minute addresses were made by a number of delegates, all favorable to the adoption of the resolutions.

Queen Marguerite and Her Strawberries. Now that the strawberry season is over King Humbert of Italy and Queen Marguerite are living very happily together at Monza, near Milan. It is a fact that this particular couple get along quite as well as ordinary everyday folk except when Queen Marguerite sets her eyes on strawberries at five francs apiece, an expenditure which the King will not hear of. The only shadow which is cast upon these happy and quiet days at Monza is the news from the dead and dying of the cholera plague in Catania, Palermo, and Resina. It is said that if the epidemic increases the King will once more go among his suffering subjects, as he has already done before on similar occasions.

Feminine Industries.

Feminine industries of the world are to be extensively represented at the Glasgow Exhibition next year. There will be a special women's section, as the lady presidents want to show exactly what share women bear in the manufactures of the present time. Not only needlework is to be exhibited, but such mechanical branches as leather-dressing, book-binding, fish-tackle manufacture, glove-making, and the like. Decorative industries, including carving, brasswork, painting and engraving, will find a place, as well as female hygienic clothing.

The California Boom.

"Yes," said a San Jose man, pensively, "the mercenary spirit of the age should be discountenanced by all who appreciate the value of the higher life. Why this haste to be rich? Let us strive for spiritual, not material, good. Hello! Excuse me." The philosopher was in the air on the first step of a hundred-yard dash, with rare presence of mind, his companion seized his extended coat-tails and exclaimed: "What's your hurry?" "What's your hurry?" howled the San Jose man despairingly. "Let me go, can't you? There's a Los Angeles and a San Diego fellow with a tenderfoot down on the ground between them, and there won't be anything in his pockets if I don't get there in nine seconds with the plat of my new Dusenberry Addition."

With Neatness and Despatch.

A Cincinnati pastor, in announcing to his congregation that he was about to leave for his vacation, added: "During my absence my brother will occupy the pulpit, and he will take great pleasure in responding to calls, especially funeral calls, from the members of this church while I'm away." The brethren smiled, and will not be anxious to afford the assistant "great pleasure."
