At the House.

TUESDAY, May 2nd, 1916.

Yesterday's business did not occupy much attention of the members of the Assembly. The House opened at 3 p.m. and after sitting a moment or two an adjournment was taken until 4.30 p.m. Meanwhile the Committees from both Houses held conferences on the Weights and Measures and Education Bills. The report of the Committee on the former Bill was endorsed by the Lower House.

The Sealing Amendments received from the Upper House were read a second time and referred to a Select Committee consisting of the Minister of Marine and Fisheries, the Leader of the Opposition, Mr. Coaker, Mr. Cashin, Mr. Downey, Mr. Crobie and Mr. Devereaux were appointed to confer with a Select Committee from the Upper House.

The Cod Oil Refining Bill, introduced by the Minister of Marine and Fisheries, passed all stages and was sent to the Legislative Council for concurrence.

Mr. Parsons spoke on a circular he had received from the Irish troops on St. Patrick's Day and unmistakably showed the patriotism and loyalty of the Irish troops in the trenches, notwithstanding the flare-ups of Cessment, Sinn Féiners and others. He exhorted the encouraging of recruiting and added that some of those who were turned down by the doctors here were accepted in Nova Scotia.

The Premier announced that His Excellency the Governor would prorogue the Assembly at 3 o'clock tomorrow afternoon.

The House then adjourned till 3 o'clock this afternoon.

Adj. R. J. James.

From recent exchanges we note the name of Capt. Reginald James as Adjutant of the 159th Battalion, Canadian Expeditionary Force, for Overseas service. Captain and Adjutant James is another Newfoundlander who has made good in the West, but resigned his lucrative position as manager of the O'Brien Mine, Cobalt, to enlist. Capt. James is a son of Mrs. Mark James, who for so many years conducted the D. I. & S. Co.'s Wabana Hotel here, and will be remembered by many as having visited here during the summer of 1913, during which time he made many friends, all of whom are glad to hear of his success in the service of King and Country. To Mrs. James we extend congratulations on the promotion of her son.—Bell Island Miner.

Rev. John Line
Now B. A. B.D.

From the Christian Guardian, Toronto, April 19th, we take the following extract:—

Victoria University Convocation.

Exceedingly impressive was the convocation in Divinity held on Friday evening, when degree certificates, medals, and prizes were awarded by Rev. Chancellor Bowles, M.A., D.D., LL.D. The honorary degree of D.D. was conferred upon Rev. Prof. John F. McLaughlin, B.A., and then came the Bachelor of Divinity degree, B.D., which was presented to Rev. John Line, B.A., of High Wycombe, Eng., who was transferred from the Newfoundland Conference to the Toronto Conference in 1912, and six other young men. The graduates in Arts were the next to be honored. For general proficiency in the whole of the Bachelor of Divinity Course, John Line, B.A., received the Sanford gold medal. In addition to his college work, Rev. Mr. Line is a junior minister on the Earls-court Circuit and supplies Silverthorne Church, Toronto West.

The Rev. John Line, referred to above, it will be remembered was stationed at Wesley Church for a period after the decease of the much-respected pastor, Rev. R. W. Freeman, and his sermons were much appreciated by the Wesley congregation.

Trains Held Up.
Tracks Flooded

Yesterday the incoming Trepassay train was held up at Fourty Pond, a short distance east of the Goulds railway station, by the overflowing of the river which for about one hundred yards covered the track, however with but little inconvenience to the passengers. A special was sent from the city and by walking about half a mile the passengers got on board and were soon in the city. A few miles west of Port Blandford a landslide and washout held up the incoming express. Another river overflowed its banks two miles north of shoal Harbour, on the Bonavista Railway and held up the train for several hours. A large staff of extra hands besides the section men have been at work and repairs will soon be completed.

The Portuguese Market

The following message was received yesterday by the Board of Trade from Lind and Couto, Portugal:—

"Food Commissioners Halting fixed fifteenth April arbitrary maximum selling prices at considerably below current values. We suspended sales of codfish in our stores, being British property, pending representations to Government at Lisbon through the British Minister and British Chamber of Commerce, and personally have done all possible to protect shippers' interests. Now waiting result of Commissioners' extraordinary meeting to-day."

Newfoundland
Students En-
listed Apr. ad.

Several Newfoundlanders who were students at the Wesleyan College, Montreal, and who were preparing to enter the Methodist ministry, have at a great personal sacrifice laid aside their studies and offered their services to the Empire, enlisting in the 5th Field Ambulance C. E. F. in charge of Lieut.-Col. Peters, son of J. E. P. Peters, Esq., of this city. Their names are as follows:—A. J. Waterman, J. W. Baggs, C. P. Davis, Nathaniel Cole, Baxter Warr, Garland G. Burton, W. H. Newhook and J. T. Davis. The above soldiers are now at Branshott Camp, England, if not lately removed to France. Private Garland G. Burton belongs to Greenspond, and is an adopted son of a veteran seal killer, Robert Grantier. Only a short while ago he was created a B.D. He was assistant Pastor of Douglas Methodist Church, Mr. Waterman is a son of Mr. William Waterman of Change Islands, and has a brother in a Company of the Newfoundland Regiment. Rev. M. Waterman received his ordination at the Wesleyan College while dressed in the Khaki. Mr. Cole is a native of Victoria Village, Carbonear. Mr. J. T. Davis is a native of Freshwater, Conception Bay. Bright prospects have been thrown aside by these gallant young men who have not hesitated to answer the call. When the Lion roars the whelps gather around, and so it is that hundreds of our brave boys in other lands have enlisted, and are found foremost in the fight for civilization.
