

Notice to Prospective Engine Buyers.

Owing to the difficulties of transportation, unless engines are actually in stock, it is impossible for engine dealers to guarantee time of delivery. We have just received part shipment of

Lathrop Engines

which left the factory in July. While these last we can make IMMEDIATE DELIVERY.

The balance of shipment is "somewhere in" and are expected within a few days. We strongly advise you if you are thinking of buying a Lathrop Engine to place your order at once.

Not Generally Known!

The average man or woman may think all WAR STANDARD FLOURS are alike. Such is not the case. The Canadian Government has decreed that Flour must not be milled ABOVE a certain standard. But there is nothing to prevent millers from milling BELOW that standard.

Ogilvie's Standard Flour

is milled to limit of Govt. requirements.
