"My bad state of health made my work a burden, and as I had tried a number of medicines only to keep getting worse, I became very much concerned over my deplorable condition.

"Finally I came to the conclusion I would try Tanlac, and it certainly paid me well to stick to the medicine. Why, my appetite soon came back, my stomach trouble disappeared so that now I am eating anything I want, and verything agrees with me so well I have gained several pounds in weight.
