## Making Friends and Keeping Them.

There's little satisfaction in coaxing customers  
in one day with the bait of some "scheme"  
or deal, only to lose them to-morrow, when some-  
one else does the same thing. That's not the  
kind of customers that make for permanent  
success of the grocer.

If we have Babbitt's Borax right one day  
and "almost as good" the next—sold it on a  
"drive" one day and at the "regular price" the  
next—there wouldn't be any "regular price"—  
or quality either.
