Harbor Grace Notes

The second annual Mercantile and Industrial Fair to take place in the Prince's and Curling Rinks from October 19th to October 31st, will shortly occupy the attention of St. John's and Newfoundland in general. At the Fair last year the products of our local manufacturers were exhibited to good effect, and we trust that much will be accomplished by the second Fair that will tend to increase the demand for our products thereby keep our own workmen employed, our money in circulation, and prosperity in our midst.

An aged resident in the person of Nathaniel Davis entered into rest at his home, Noad Street, on Wednesday week, at the good old age of 84 years, following a short illness. He was an upright citizen, a kindly neighbour and good friend, and his passing is regretted by a large circle of friends with whom he was held in high esteem. The funeral was held on Thursday, interment being made in the C. of E. Cemetery, Rev. G. S. Templeton conducting the service. To the bereaved family we tender our sympathy.
