A New Sathre.—The author of "Ginx's Baby" has favored the world with another production of a similar kind, entitled "Little Modge," Like its predecessor, "Little Hodge" is a cynically-patience exposition of suffering among the poor hooring class, the agreealtural patietic exposition of suffering among the boor knowing class, the agreellural interest being the theme, and it is full of humor, and sharp and biting, though consionally coarse, satire. Appearing at a time when the wrongs of the agricultural laborers are occupying so much attention in England, the pamphlet is pretty sure to attract public attention, and will not fail to have an important effect on the issue of the struggle. The work is for sale at Anderson's bookstore.

effect on the issue of the struggle. The work is for sale at Anderson's bookstore. A Model Parlon Magazine.—This is essentially true of Demores's Monthly, which combines literary attractions of a very high order, with the most complete array of reliable fashions of any periodical in the country. It is a "model," also, of artistic beauty in its illustrations and typography, as any one can see by reference to the beautiful February number, which we find on out table. This popular magazine, together with two beautiful and artistic oil chromos, representing in value \$13, and all for \$3, is among the marvels of literary enterprises.

Bieakpast—Epps's Cocoa —Grantful and Comporting.—By a thorough knowledge of the natural laws which govern the operations of digestionand nutrition and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately favored beverage which may save us many heavy doctors bills.—Civil Service Gazette. Made simply with boiling water or milk.—Each packet is labelled "James Epps & Co., Hofmeopatiic Chemists, London." Also, makers. E. Epps's Milky Cocoa (Cocoa and Concensed Milk.)

A Startling Tautri !—Thousands die annually from medelected courds and

of Epps's Milky Cocoa (Cocoa and Condensed Milk.)

A STARTLING TRUTH!—Thousands die annually from neglected coughs and colds, which soon ripen into consumption, or other equally fatal diseases of the lungs; when by the timely use of a single bottle of Dr. Wistar's Balsam of Wild Cherry their lives have been preserved to a green old age.

Consumption, Bronchitis, General Debitity.—Cantion. — Fellows' Campound Syrup of Hypophosphites is entirely different in its combination and effects from all other remedies called Hypophosphites. The public are cautioned that the genuine has the name of Fellows & Co. blown on the bottle. The signature of the inventor, James I. Fellows, is written with resulting and the process cach label, and the price is \$1.50 per bottle. Fellows Compound Syrup of Hypophosphites is prescribed by the first physicians in every city and town where introduced, and is a thoroughly orthodox preparation.
