### FASHIONABLE WEDDING IN BANFF

Miss Pearl Brewster married to Phil. A. Moore

Banff, Jan. 15—The wedding of Pearl E. Brewster, daughter of Mr. John Brewster of Banff, took place in St. George's Church, to Lieut. Phil. A. Moore of Banff, Rev. G. B. Hall officiating.

The church was crowded, as the bride was the first to be married of the native born population of Banff and she had won a warm place in the affections of the people by her many lovable qualities.

She was attended by Miss Viva Galletly and Miss V. Asjley, while the groom was supported by L. Lowry. Rev. Mr. Haggith was called upon to read the strains of the bridal march (Lobengrin) and left the church to the measures of music supplied by Bagley's orchestra, which were rendered by Miss Reynolds.

After the ceremonies in the church a wedding breakfast was partaken of by a company which included all of Banff's old timers, and was a most pleasant function. The bride's health was proposed by Rev. Mr. Hall, who, in fitting terms, spoke of the respect in which the bride was held, and congratulated the groom on the prize which he had secured. Rev. Mr. Haggith was called upon to respond and did so in fitting terms. Dr. Brett, one of Banff's pioneers, proposed the health of the bridegroom in a characteristically witty speech, and J. Lowery responded in an appropriate speech.

After the breakfast was over, an adjournment was made to the opera house, which was crowded with guests who indulged in dancing to music supplied by Bagley's orchestra, till the early hour next morning.

The happy couple left on the delayed westbound train for the coast where the honeymoon will be spent. The dress worn by the bride at the church was a handsome Crepe de Chine, while the bridesmaids wore pink and white. The bride's bouquet was of white roses and carnations. Mrs. Brewster was tastefully attired in a black Poole Skole with white lace front. The bride's travelling costume of Ras de fine tweed in black and white.

The presents were numerous and handsome, and a partial list is as follows: Judge and Mrs. Wilton, case table; Col. and Mrs. Walker, silver smoking set; S. C. Wick, oil painting; Miss McCall, cut glass perfume bottle; Mr. and Mrs. C. H. Harley, silver spoons; Mr. Brewster, tea set; Mrs. J. Noxious Seeds and a Law Suit

Two cases were recently tried at Clarholm which ought to be of aid to farmers in Alberta.

A farmer who had rented a piece of land from another went to the elevator and prepared a quantity of screenings containing seeds of noxious weeds which he proceeded to throw out as feed for his stock.

The owner of the land very naturally objected to having his land polluted with samples of all the weeds in the country and requested the elevator to desist. This the latter refused to do, whereupon the objector informed the R.N.W.M.P., leaving a sample of the screenings with the chief weed inspector of the province who found in them several species of weed seeds classified as noxious and the owner of the land accordingly. The case was tried before Mr. Hotchkiss J.P., who found the delinquent guilty and fined him ten dollars and costs.

The other case grew out of this one, for the police promptly laid information against the manager of the elevator from which the screenings had been taken for allowing screenings containing seeds of noxious weeds to be removed from his premises without having been crushed. He was fined twenty dollars and costs.

The undersigned give to give notice that they have retired from the partnership business carried on in the City of Calgary under the name of The Imperial Land Company having sold out their interests to David M. Smith and Benjamin S. Cook who will continue the business under the same firm name.

Washington, Jan. 16—Secretary of State Root and Senator D'Avolas, the Mexican charge of embassy today signed a treaty regulating the disposition of the waters of the Rio Grande. The basis of the treaty is the recognition by the United States of the right of Mexico to the use of certain proportion of the waters of the river now impounded by the great dam at El Paso for irrigation purposes on the Mexican side of the boundary.

The precedent set will, it is understood, have an important bearing on negotiations concerning the vexed questions of international rights to the use of streams of the Canadian border.

Washington, Jan. 16—The national board of trade today rejected the report of a committee recommending tariff revision.
