RAMPS

Nurserymen, Rochester, N.Y.

No Universal Remedy

has yet been discovered; but, as at least four-fifths of human diseases have their source in Impure Blood, a medicine which restores that fluid from a depraved to a healthy condition comes as near being a universal cure as any that can be produced. Ayer's Sarsaparilla affects the blood in each stage of its formation, and is, therefore, adapted to a greater variety of complaints than any other known medicine.

Boils and Carbuncles, which defy ordinary treatment, yield to

Ayer's Sarsaparilla after a comparative-

ly brief trial. Mr. C. K. Murray, of Charlottesville, Va., writes that for years he was afflicted with boils which caused him much suffering. These were succeeded

by carbuncles, of which he had several at one time. He then began the use of Ayer's Sarsaparilla, and after taking three bottles, the carbuncles disappeared, and for six years he has not had even a pimple.

That insidious disease, Scrofula, is

the fruitful cause of innumerable complaints, Consumption being only one of many equally fatal. Eruptions, ulcers, sore eyes, glandular swellings, weak and wasted muscles, a capricious appetite, and the like, are pretty sure indications of a scrofulous taint in the system. Many otherwise beautiful faces are disfigured by pimples, eruptions, and unsightly blotches, which arise from impure blood, showing the need of Ayer's Sarsaparilla to remedy the evil. All sufferers from blood disorders should give Ayer's Sarsaparilla a fair trial,—avoiding all powders, ointments, and washes, and especially cheap and worthless compounds, which not only fail to effect a cure, but more frequently aggravate and confirm the diseases they are fraudulently advertised to remedy.

Ayer's Sarsaparilla,

Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price \$1; six bottles, \$5.

neglected. Change the litter partially in some parts and entirely in others every mornng; brush out and clean the stall

When a horse comes off a journey, cool, if he is brought in hot. This

prevents him from taking cold. Let the horse's litter be dry and clean underneath as well as the top. Standing on hot fermented manure makes the hoof soft and brings on

Never allow any one to tickle your horse in the stable. The animal only feels the torment, and does not understand the joke. Vicious habits are are easily brought on.

Let his legs be well rubbed by hand. Nothing so soon removes strain. It also detects thorns and splitters, soothes the animal, and enables him to feel comfortable.

Let your horse stand loose, if posble, without being tied up to the manger. Pain and weariness from a continued position induce bad habits, and causes swollen feet.

To produce a good coat on your horse, use plenty of rubbiug and brushing. Plenty of "elbow gease" opens Mr. Rock Bailey, of Union, who the pores, softens the skin, and promotes the general health .-- Rural Canadian Notes.

Carrots are capital things to give horses suffering from worms, mixed He tound the girl living with a poor with their ordinary tood, says the Enfamily of the name of Welsh, living in glish Live Stock Journal. In the way shanty in the woods, three and a half of medicine for round or needle worms. santonine, turpentine, calomel, and tartar emetic, followed by a physic and expense through the girl leaving home on several occasions, and, as he siderable time in from one to two drachm doses daily, have been found effectual in many cases. For tape worms, areca nut, turpentine, male fern, ADVICE TO MOTHERS.—Are you disturbed kousso, and sulpate of iron are some

MURDERED BY MORMONS.

AN ENGLISHWOMAN'S STORY OF LIFE IN UTAH .-- FOUR DAYS WITHOUT FOOD. CHICAGO, July 16.—A woman giving her name as Elizabeth Turnbull Rutler formerly from England, was picked up in the street aparently fainting from hunger. She claimed to have had nothing to eat during a four days trip from Ogden on her way to England She told a terrible story of her experience among the Mormons. Her son, she stated, had been induced against the wish of his parents to join a party of prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs Winslow's Soothing Syrup," and take no other kind.

The community of the northwestern portion of London were thrown into a polyment with a Mormon farmer named.

in Utah, were intercepted and others substituted urging to come to Utah with the missionaries. She obeyed, and claimed the women in the party were subjected to fearful indignities en rout by the elders. Rutler was murdered shortly after she it all him. He had inadvertantly given a young Mormon an inkling of his plans to find his boy and escape. The Mormons asserted that Rutler's death was accidental. The womon was defrauded out of her husband's savings, but fleeing to Ogden she earned enough money by working in a hotel to pay her passage home. The amount of railroad fares was larger than she expected, but sooner than delay longer she deprived herself food on the journey to Chicago.

Married without License.

It is becoming well-settled that the mar

A small boy who had happened to bruise his leg said to his mother: would exonerate him. The same after "Oh, mamma, how awfully it must boarded the same train as the chief. morning and made the black spot on

> A writer says he once had a very valuable heifer was an exceeding vic-ious kicker. To cure her of the habit, he put a common garden hoe end in front of her off hind leg, and behind and above the gambrel joint of the nigh hind leg. Then sitting down on the right to milk, he put the handle of the hoe well up under the arm and began milking. The heifer could not stir either hind leg, and after one week could be milked safely without tettering, and proved to be a valuable and gentle animal.

DUNWICH COUNCIL.

Minutes of a regular meeting of the Municipal council of the Township of Dunwich held in Brown's Hall Dutton, on Monday July 16th 1888.

All the members present. Minutes of last meeting were read approved and signed.

By-law No. 365, to levy a rate of six mills on the dollar for the current year, was read a first, second and third time,

and finally passed.

By law No. 366, to levy a special rate to raise the some of \$549.55 for High School purposes was read a first, second and third time and passed.

Moved by J. D. McDiarmid, seconded by J. Milligan, That the clerk notify the township engineer to make an examination of the Dutton and Brown drains and ascertain if the same require cleaning out, repairing or widening, or an improvement of their outlets; and should the same be found necessary, and he thinks proper to make a re-assessment on same and report at once .--Carried.

The following cheques were granted: GENERAL FUND.

D. McKenzie, repairing bridges, \$61.33; William McAlister work done, \$5.35; N. McPhedrain, work done on McPhedrain's drain, \$5.00; John F. Taylor, making road to gravel pit, \$29.25.

WARD NO. I. John Froggatt, work done, \$7.20.

WARD NO. 2. James Dalgleish, work done, \$20.60; Neil McPhedrain, work done, \$20.00; John McPhedrain, work done, \$31.00; Peter McCallum, work done, \$34.75. Council adjourned to meet Oct 1st

CHINESE JELLY.

SIXTEEN CELESTIALS BOILED DOWN,

CANNED AND SENT TO CHINA. NEW YORK, July 13 .- The remains of sixteen dead Chinamen, packed in tin boxes, were shipped by the National Express tophilanthropists assembled together some time ago and made a tour of the States to collect the bones of their deceased compatriots and ship them back to China. They started from San Francisco some months ago in search of the heathen dead. They went to Los Angeles, to Denver, Kansas City Wheeling, Pittsburg, Beaver Falls, Philadelphia and New York, and collected in all 215 remains. In each city they first located the graves of their friends, and carefully exhumed. Buried as the bodies were in ordinary Caucasian coffins the difficulty of transporting them seemed great, and the expense appalling. Some proposed to ship all the boiled flesh in one barrel, and the bones in a big packing case, but the idea was scouted on account of the difficulty that would attend the division of the material among mourning relatives at home, So it was agreed to stew every man separately, and to boil him down to the smallest possible space imaginable so as to set in for holding one boiled body each were obtained, and the remains were corked so as to fit exactly. It was found that a Chinaman's corpse could be boiled down so as to average about 35 pounds, and that is what was done with all of them, big and

little alike. Whether from swampy land or stagnant pool, or from the deadly gases of the city sewers, malarial poisons are the same. Ayer's Ague Cure, taken according to directions, is a warrented specific for malarial disorders.

URES RHEUMATISM

FREEMAN'S WORM POWDERS Are pleasant to take. Contain their own Purgative. Is a safe, sure and effectua destroyer of worms in Children or Adults

The Reason Why Ayer's Pills are so popular is, that while always reliable as a cathartic medicine, they never leave any ill effects. This is because they are purely vegetable, and entirely free from calomel or any other dangerous drug. In all cases, therefore, whether the patient be old or young, they may be confidently administered.

where derangements of the liver are so general, Ayer's Pills have proved an inestimable blessing. D. W. Baine, New Berne, N. C., writes: "I suffered a long time with stomach and liver troubles. I tried various remedies, but received no benefit until I commenced taking Ayer's Pils. These pills benefited me at once. I took them regularly for a few months, and my health was completely restored."

Throughout New England, next to least discuss a Stomach and Bowel.

In the Southern and Western States,

lung diseases, Stomach and Bowel Complaints are the most prevalent.

Dyspepsia and Constipation are almost universal Mr. Gallacher, a practical chemist, of Roxbury, Mass., who was long troubled

with Dyspepsia, writes:

"A friend induced me to try Ayer's Pills, and, after taking one box without much benefit, I was disposed to quit them; but he urged perseverance, and, before I had finished the second box, I began to experience relief. I continued taking them, at intervals, until I had used eleven boxes. Suffice it to say, that I am now a well man, and grateful to your chemistry, which outstrips mine."

The head and stomach are always in sympathy; hence the cause of most of those distressing headaches, to which so many, especially women, are subject. Mrs. Harriet A. Marble, of Poughkeepsie, N. Y., writes that for years she was a martyr to headache, and never found anything to give her more than temporary relief, until she began taking Ayer's Pills, since which she has been in the enjoyment of perfect health.

Ayer's Pills,

Dr. J. C. Ayer & Co., Lowell, Mass,
