A LINGERING COUGH STUDENTS DEBATE

The cough that holds on in spite of all remedies needs energetic, and, above all, thorough treatment. A mere cough mixture won't do. Root out the cold that causes the cough.

How? Scott's Emulsion.

Why? Because Scott's Emulsion stops the irritation, soothes the tissues and heals the affected membranes.

When? Right away: Scott's Emulsion begins to help with the first dose. Its action is quick and effective.

In a word, Scott's Emulsion cures a cough because it cures the cold.

We'll send you a sample free upon request.

BIG FREIGHT TIE-UP

As Result of the Strike on the New Haven Railway.

New York, March 14.-A strike of the firemen and others employed in the marine department of the New York, New Haven and Hartford Railroad Company for increased pay was inaugurated today. It resulted in the tying up of the entire freight and passenger service between One Hundred and Twenty-ninth street, Port Morris, and Oak Point and Jersey City. It is estimated that fully 10,000 tons of freight consigned to New England points is held up at Jersey City.

PACIFIC TRAGEDY

Thursday evening, March 12. The vice-president, Miss Graves, '02, was Disappearance of an Unknown Vessel Off Californian Coast.

San Francisco, March 14. - Great mystery attaches to the disappearance and identity of a steamer which is reported to have sent up signals of distress off Point Royes last night, and which suddenly disappeared as if swallowed up by the sea. Just before her disappearance, the observers say, the steam siren of the distressed vessel sounded three long blasts, and lanterns were swung on the port side in a frantic manner, indicating that great excitement must have prevailed on board the vessel. To the watchers at the Point Royes lighthouse, it looked as if those on board were preparing to disembark. Captain Jorgenson, the lighthouse, with his men launched a lifeboat, and spent several hours in the med's novel organizations, has the vicinity of the spot where the been rendering some "choice" music steamer is supposed to have gone to vary the weariness of study. It is down, but nothing to indicate a wreck visible. The steamer Columbia Mr. McCready has just finished his from Portland, Oregon, arrived today, and her commander saw no wreckage course of lectures on organic chemor any other indications that a vessel had gone to the bottom. The steamer Percy Banghart, who met with the Corona, from Eureka, Cal., signaled railroad accident, is as lively on his that she had passed though immens quantities of wreckage at 3:30 this The preaching appointments for Sunmorning, at point about 30 miles southeast of Point Arena. Investigation indicates that this wreckage was a portion of the deck load of the steam schooner Alcatraz, from Greenwood Landing, which was lost during a storm on the morning of March 8. Westminster-C. W. Sanders and G. The Alcatraz arrived in port safely several days ago. The opinion about Mr. Charles Ryan preached at St. the Merchants' Exchange is that while John's, London Township, and Emthe Point Royes people may have seen signals of some sort, they seem to in-Mr. H. A Pullman Sleeping-Car is now being operated on the Eastern Flyer, from Toronto to Ottawa on the Grand Trunk Railway. Passengers from London can leave at 6:40 p.m., and connect with the Flyer, arriving Ottawa at 9:30 a.m. There are also three sleepers daily to MINARD'S LINIMENT IS FOR Montreal. Tickets, reservations, etc., wash woolens and flannels,—you'll like from E. De la Hooke, C. P. and T. A., or at Station Ticket Office.

WIRELESS TELEGRAPHY

stration of the DeForest wireless telegraphy was given yesterday, when messages were exchanged between the mayors of Toronto and Hamilton. A number of men from the School of Science and others interested in telegraphy, including officials of the regular companies, were present. The transmission of a message creates a noise like a buzz saw in a planing mill, and is positively nerve-racking. Flashes of fire spit out from the machine, and most of those present at the experiments were glad to hold their hands to their ears in a futile endeavor to avoid the racket.

A Hamilton druggist sells the wellknown Dyspepsia Remedy. At McCurdy's Pharmacy, Hamilton, Ont., the young man who sold a package of Hutch Tablets to a customer, and was asked whether there was much demand for them, said:

"There is nothing in the store which sells as well as Hutch Tablets do. The demand is as steady as for anything we carry in stock." When asked who seemed to be the best patrons for it, he replied that "young and old, male and female, seem to buy them. In fact, they seem to be in general demand. The advertisements seem to create the demand, but their merits back it up. The demand is constantly increasing. We buy in hundred-

dollar lots and a hundred dollars' worth only lasts a short time." Hutch is sold by all druggists or 200 sent for \$1 00 by the Woodward Chem-

ical Company, Buffalo and Toronto. The oyster is the one creature in all the world that doesn't look forward
