There is many a man and woman tossing night after night upon a sleepless bed. Their eyes do not close in the sweet and refreshing repose that comes to those whose heart and nerves are right. Some constitutional disturbance, worry or disease has

so debilitated and irritated the nervous system, that it cannot be quieted. Or again, you have, a sinking sensation, feeling you are going to die; or perhaps. you wake in your sleep feeling as though you were about to choke or smother, and rest leaves you for the night. If you allow period even, you will begin to feel your health declining.
