# CITY LEAGUE TO

Big Bill Being Provided For Next Thursday Night at the Simcoe Street Rink---Morenz Case Has Been Settled.

Thursday, March 6, is the date selected by the City Hockey League for its big benefit night. This was decided upon at a recent meeting. The games scheduled for next Wednesday night have been put over until Thursday so that the City League and O. H. A. games will not conflict. These games will practically decide the City League championship. The Hyman and A. M. C. teams will meet on that night, and if the former team wins out these two sevens will be tied for first place in the league. The tanners are fully confident of beating the medleal men, as they have been the only team to turn the trick this season. The Meds and Seventh Regment will also meet on this evening, while the Hussars and Orients will wind up the bill. It is one of the strongest and best offerings the City League has provided this season and every game will be a guaranteed hummer.

Morenz Matter Settled.

The City League also took action in the case of W. C. Morenz being allowed to play for Hymans. Some time ago when the league passed a ruling allowing each player to play an O. H. A. junior man, the Hyman team signed up Morenz although he had been previously signed up by the First Hussars. The Hyman team claimed the First Hussars should release him as he could not play with them owing to McPhillips already being a member of the Hussars' team. The Hussars refused to release him at that time and the league finally decided the matter by releasing Morenz from the Hussars but demanding that he come before the executive and explain his side of the case before being permitted to play for the Hyman team, Morenz presented himself before the league executive at the las meeting, and after the matter had been discussed a vote was taken. The vote resulted 4 to 3 against Morenz playing for the Hyman team. As a result, this player is barred from competing in the City League.

### **NEW ENGLAND WRESTLER** WON CHAMPIONSHIP

Captured Lightweight Honors of the World by Beating Montreal Man Last Night.

#### [Canadian Press.] Montreal, March 1 .- In two straight

falls, Jean Baptiste Paradis, the New England wrestler, annexed the lightweight championship of the world, and won the Police Gazette belt from Eugene Tremblay, at Sohmer Park, last night. The match was catch-as-catchcan. In the beginning Tremblay took the offensive, but it was the old story, and the fact was obvious to his many friends, that the once invincible lightweight had two opponents to overcome Paradis, and the enemy of all athletes, waiting game, and this proved to be his salvation in the long run, for after 55 minutes' of hard work he succeeded in sending Tremblay's shoulders to to be warned by Referee Bourque for attempting it. The match was by no means fast, and Tremblay was tame, as compared with the Tremblay of former days. He seemed to be considerably put out by a necktie hold that was a favorite with Paradis, and by means of which the latter, after almost an

hour, landed the first fall. After a short rest, they went at it again, and started off with a rush, but Paradis soon had his man in difficulties, and it was no surprise when at the end of ten minutes the clever young wrestler was declared the new cham-
