LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody

The use of Sage and Sulphur for restoring faded, gray hair to its natural dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. henever her hair fell out or took on that dull, faded or streaked appearance this simple mixture was applied with

But brewing at home is mussy and out-of-date. Nowadays, by asking at any drug store for a 50-cent bottle of Wyeth's Sage and Sulphur Hair Remedy," you will get this famous old recipe, which can be depended upon to restore natural color and beauty to the hair, and is splendid for dandruff, dry, feverish, itchy scalp and falling

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two it becomes beautifully dark, glossy, soft and abundant. For sale by W. T. Strong, London,

For the first time since the Republicans came into power as a party in this state their nominee for governor was forced into the third position, Mr. Bird leading Congressman Gardner by 10,363 votes. The Progressive gains in membership in the Legislature also give them a strategic position in both House and Senate.

Another point of interest was the small vote given Governor Foss. Mr. Foss, once a Republican and three times elected chief executive as a Democrat, entered the contest very. late in the campaign as an independ-

Council Would Be Adop ed.

London, Nov. 5 .- Lord Chancellor University College upon "Legal and Political Unity of the Empire," made some interesting remarks. The establishing of a judicial committee of the privy council as a movable imperial court recently had caused him to give a great deal of thought to this subject. And the other day, when in Canada, he was struck with the feeling among those best competent to give an authoritative opinion that if any change took place they did not want to appeal to some new court outside the dominions A Hard Problem.

It was easy to talk about an imperial court of appeal, but it was not easy to define it in a way which did not invade the just claim of the dominions across the seas to be selfcontained. Both parties agree that the existing Second Chamber must be reformed in a fashion that will make it impossible for it to be the supreme appellate court for England and Scotland and Ireland, and that when that comes we shall have to find a new appellate court. I have an impression that this great link of Empire will further develop, and that all appeals, whether from countries form-

WAS TROUBLED WITH CARBUNCLES.

There is no more frequent source of illness than that arising from bad blood, for when the blood becomes impure, it is only natural that boils, pimples or some other indication of bad blood should break out of the system.

Boils in themselves are not a dangerous trouble, but still at the same time are very painful, and the only way to get rid of them is to cleanse the blood of the impurities. Cleanse it thoroughly by the use of Burdock Blood Bitters, that old and reliable blood medicine that has been on the market for nearly forty

Mr. James Wilds, Plaster Rock, N.B., writes:—"I was greatly troubled, a few years ago, with boils and carbuncles, and the doctor told me I was in a bad condition. My appetite failed me, I began to lose strength, and was pretty well run down when one of my friends recommended Burdock Blood Bitters. After using three bottles I began to feel like another man. My troubles soon left me, and to-day I can certainly give Burdock Blood Bitters a high recommendation to my friends.'

KIDNEYS BOTHER Eat Less Meat, Also Take Glass of Salts Before Eating

Breakfast.

Uric acid in meat excites the kideys, they become overworked; get sluggish, ache, and feel like lumps of The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's ruinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney egion, you suffer from backache, sick headache, dizziness, stomach gets sour, ongue coated and you feel rheumatic winges when the weather is bad. Eat less meat, drink lots of water;

also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble. W T. STRONG, druggist, agent, London
