# Only Four Safe Hits Prove Sufficient For St. Thomas Seniors To Beat Sarnia

### Errors Behind Smoky Joe Help Railroaders To Win

Billings Wins Own Game With Single in Fifth Frame.

### EIGHTEEN WHIFFED

Sarnia, Aug. 27.-Joe Allen allowed St. Thomas but four hits here today, but they were so timely and combined so well with shaky support that the Tom Cats romped off with the first of the league play-offs by a 3 to 2 score. Allen and Billings hurled a nice duel, the latter being nicked for seven hits, widely enough scattered so that they played a part in only one of the Sarnia runs. Fifteen hundred fans watched the struggle, a good many of whom were from the Railroad City. Sarnia opened the scoring in the first, when Schaefer singled to center and made second on slow fielding, when the ball, first lost in the sun, rolled away. Jennings popped a foul near the first base bleachers, and Schaefer, darting for third, made home when Evans threw wildly to the danger corner. With one gone in the second, Barclay drew a walk. Binns rolled a grounder which Jennings juggled. Evans popped out, but Doan lifted a single to left, which scored both runners. The Saints added another in the third, when Lindsay was hit by a pitched ball, stole second, made third on Arlein's long fly out, and came home on Billings' single.

Los Angeles, Cal., Aug. 27.—Jack Dempsey, heavyweight film hero, who recently turned his nose over to plastic surgeons for remodelling, after successfully defending it from being re-shaped by his opponents in the ring, left yesterday for New York to see the Wills-Firpo fight. He plans to stop over at Salt Lake for a short visit with his relatives, he said.

Before boarding the train the world's champion boxer modestly exhibited his new nose to friends who came to see him off and had the satisfaction of hearing them cheer it to the echo.

Pug Hallahan Strikes Out Every London Batter Once.

ONLY FOUR HITS

Special to The Advertiser.

Kalamazoo, Aug. 27.—Young Pug Hallahan, Kalamazoo star southpaw, came within one of equalling the Mint League strike-out record held by him when he held down 14 London players in the second game of the series this afternoon. The youngster allowed the visitors only four well-scattered hits and shut them out 6 to 0.

Delman was unable to hold back the Kazoos at critical times. The bunching of hits by the locals brought about his downfall, although there was not a chance for him with Hallahan pitching the kind of game he did.

Hallahan, who is the property of the St. Louis Cardinals, has been recalled by that club and will leave to join the Rickey Club at once.

Every member of the London team struck out at least once during the game. The four hits produced were of no account, as the runners were unable to get away from first base. In the fifth inning Jim Kernan got as far as third on a walk and Hallahan's overthrow of first on Sandquist's grounder, but he was unable to get any further. The Kazoos put over a pair in the second on a single by O'Brien, a double by Willis and Murphy's one-sacker. In the third Becker banged the ball up against the center field fence for a homer.
