BY HARRY SHIRLEY.

St. Catharines, Sept. 21.—In pouring tain and before a large crowd of spectators the Wallaceburg intermediate lacrosse team quaified to meet Brampton in the O. A. L. A. finals by retaining a two-goal lead over St. Catharines on the latter's ground Saturday. After a gruelling tussle St. Kitts won the game 7 to 5, but was unable to overcome the four-goal lead which the visitors had accummulated in the previous game. Wallaceburg fans who accompanied their team numbered about 150. The weather conditions made good lacrosse impossible. Len Smith of Toronto, and Ernie Doyle of Newmarket were in charge of the game.

The game was cleanly contested, although a few penalties were awarded for minor infringements. Although the yround was well policed, many attempts were made by the local fans to interfere with the visiting players from the side lines, and they were throughout subjected to wild tongue lashings.
