Dr. Canniff, the medical health officer, left for Ottawa last night to attend the sanitary convention which opens in that

Edward McDonald, sentenced recently in this city for satchel snatching, died in the penitentiary the other day of a pulmonary complaint.

Mark Checkley, the lion tamer and pugilist, was a prisoner at Agnes street police station last night on a charge of having stolen goods in his possession.

George Earnest Blanchard, long and

George Earnest Blanchard, long and favorably known in connection with the Zoo, is laid up with a severe attack of in-

On Sunday the applicants at the soup kitchen numbered 734 people of which 630 were catholics and 164 protestants. 600 lbs. of pig heads, 240 lbs. of bread and four bags of potatoes were served.

greeted with a good house on their opening greeted with a good house on their opening night last evening. The play is full of stirring incidents which form a closely interwoven chain of deep interest from the opening to the close. An insight into one of the most famous convict prisons in the world (at Portland, England,) is given with realistic effect. The plot of the Black Flag is unique and the scenery fine. The cast was as follows:

The cast was as lonows

Harry Glyndon, of the coast guard...

Edwin Thorne

Gwen Glyndon, rich but hard-hearted...

W. J. Constantine

T. J. Martin

The Black Flag will be run all week, with matinees to-morrow afternoon and Saturday. On the night of the latter day Manager O. B. Sheppard will be tendered a complimentary benefit.

Engineer Jeffrey Visits the City Hall. fatal engine at the terrible accident at the Humber on Jan. 2, turned up at the city hall about 4 o'clock yesterday afternoon. Meeting Mayor Boswell in the executive committee room he introduced himself and his worship shook him by the hand in a friendly manner. Jeffrey looked as though he had gone through a terrible physical and mental ordeal since the accident. There are still a few scars on his face, and in rehe felt well enough with the exception

"Will your connection with the disaster interfere with your ever getting on another railroad?" the reporter asked.
"Oh, yes; although I was not at all at fault, I don't suppose I would ever be given a locomotive again. I am on the lookout for a job running a stationary engine."

The mayor then handed over to Jeffrey a cheque for \$203, which was subscribed by the railroad men at Stratford for his benefit and forwarded to Mayor Boswell.

Yesterday afternoon, William Feather tonbough, busar of the Central prison, called at the warehouse of A. R. McMaster & Co., Front street, to see his son, who is employed there. After an interview, Mr. Featherstonbough stepped forward on his way out and unfortunately fell through the elevator, a distance of twelve feet, and sustained painful injuries, and had to be conveyed to his bone at 9 Somer avenue. onveyed to his home at 9 Somer avenue in the ambulance. Capt. McMaster has attached an ingenious appliance to the elevator which will in future prevent any

Police Court Pointers.

After the drunks and vags had been disposed of yesterday, Wm. Harrison was bound over to keep the peace, for threaten-ing his wife. George Hodgins, for stealing a cap and umbrella from Wm. Dineen, got ten days in jail. Nicholas Hagins, a lad, got three years in the reformatory for stealing from A. P. Stewart. For petty stealing from A. P. Stewart. For petty larcenies Jos. Jacobs was sentenced to ten days in jail. James Henry was remanded till Tuesday, and Daniel Morton, for stealing lead pipe from the Barter manufacturing company, was sent to the reforma-tory for three years.

Workingmen's Mass Meeting. A mass meeting of workingmen, princ pally those living in the west end, was held at St. Andrew's hall last night. The room was tolerably well filled. S. R. Heakes was called to the chair. Alfred Jury, the first speaker, made an interesting effort on the progress of trades unionism in this city. P. J. McGuire of New York, secretary of the American brotherhood of car-penters, was the speaker of the evening. Mr. McGuire is a clear-headed speaker and his remarks were listened to with much attention. He dwelt principally upon the benefits and importance to workingmen of trades unions. Chas. March and T. Moor

It All Depends.

MR. EDITOR: What is the intellectual standing and ability of American lawyers s compared with Canadian? Are they [As a general thing the intellectual requirements exacted of lawyers by the several states are not so high as in Ontario. There are many eminent men among their umber, but as a class we hardly think

Fire in Gooderham's Distillery. Fire was discovered at 8 o'clock last evening in a large corn bin on the top floor last night, will be considerable. It may be from \$5000 to \$10,000. The origin of the fire was said to have been a from a pair of grinding stones, between which a nail had found its way.

down near the boiler. Early yesterday morning a portion of the boiler gave way. The engineer, W. J. Craig, noticed the waif, who was sound asleep, in time to save him from being scalded to death.

About 200 people attended an open meeting of University college temperance league in Moss hall yesterday afternoon. The president, Prof. Ramsay Wright, occupied the chair. Hon. G. W. Ross made a telling spoech in favor of prohibition, and Dr. Aiken spoke of temperance from a medical standpoint. Henry O'Brien also spoke on

The Epistle to the Hebrews. Rev. J. Denovan presided over the paper on The Epistle to the Hebrews, in which he advocated that Apollos was the real writer of the epistles. The rest of the clergy who were present evidently agreed with him in the discussion which followed.

season.

Lillian Russell is playing in Billee Taylor in Toulon, France, under Solomon's management.

Harry Miner now controls three Silver King companies, a traveling comedy company and three theatree.

At the court of general sessions yesterday Charles Thompson and Martin Downs pleaded not guilty when arranged on a charge of robbery. A young man named David Lasher was charged with stealing 55 from the till of John Smith, a teamerchant, by whom Lasher had been employed. The jury returned a verdict of ployed. The jury returned a verdict of ployed. The jury returned a verdict of ployed. The jury returned a verdict of ployed with stealing from the large number that patronized the museum yesterday, as also from the excellent performance given, a big run will be scored again this week.

Walter Howard of 120 Seaton street left a valise at the door of a store at Sher bourne and King streets last evening while he went inside. William Lucas, aged 14, came along, picked up the valise and started off. Policeman Mitchell was notified of the theft and shortly afterwards arrested Lucas and locked him up.

Harry Lee Ordered to be Extradited The common pleas divisional court deeided yesterday that Harry Lee, the alleged Cincinnatti forger, should be extradited. This was an appeal from the county judge's order of extradition. Mr. Murphy will now probably carry the case to the court of appeal.

PROMINENT PERSONS. Henry Ward Beecher is in his 72d year,

The prizes recently offered by St. Nicholas for the best original illustrations by young artists under 17 years of age, brought more than 900 pictures under the notice of the judges. The names of winners and reproductions of the successful drawings will appear in the April St. Nicholas.

According to the Journal de Medecine of Brussels, if the normal temperature of mankind were 1000, that of a moderate smoker would be represented by 1008, and the normal pulse under like circumstances would increase to 1180. The heart is overworked to just the extent represented by worked to just the extent represented by

Since the contribution by the municipal council of Paris of ten thousand francs toward a statue in honor of Diderot, several large subscriptions have been received from individuals, and the promoters of the scheme now express themselves as confident of being able to raise an exceptionally handsome monument to the great encyclohandsome monument to the great encyclo

Mathew Arnold's paper on Literature and Science, which will appear in the Manhattan for April, has some of the matter contained in the lecture with that title which he has delivered in the United States, but differs from it in important respects. It has some sharp thrusts at those who clamor for a practical education

The total number of journals published in Great Britain is 2015, and the total number of magazines 1260. Of the journals, London has 401, the provinces 1177, Wales 80, Scotland 181, Ireland 156, and the Channel islands and Man 20. According to another classification, 179 of them are dailies. Of the magazines, 332 have a religious character. ligious character.

Two Poles recently applied to the poormaster of Buffalo, N.Y., for aid and to be directed on the road to Nebraska. They said they had walked from New York, and were going to join their families in Nebraska, but had not the means of sub sistence. They seemed willing to continue the tramp, but were given railroad transportation as far west as Dunkirk.

A young Baltimorean named Binns went, a few days ago, to the city hospital, in that city, to get relief from the effects of a dose of hasheesh. He said his face seemed two feet from where it really was, and he sometimes thought he had lost his legs and was walking on his chin. He was very much afraid that some one would steal one of his arms if something was not done to counteract the drug.

one to counteract the drug. The matrimonial cause celebre of the earl of Euston, heir to the dukedom of Grafton, promises to eclipse in interest even the Garmoyle-Fortescue affair, and will be characterized by more dramatic events than even the brain of Wilkie Collins could in-vent. The curious point whether or no a wife can recognize her own alleged first husband will form one of the leading incidents. The case may not last as long the Tichborne case did, but it will give rise to as much discussion.

The Chicago Druggist says that the increased duty on brushes should be abolished, as American bristles are vastly inished, as American oristics are vaculy inferior to the foreign product. "The American hog has reached too high a state of civilization to do service in the plebeian calling of a bristle producer. Nature has apparently ordained that the hog shall be eminent in but one character; he may be either a bristle or a pork producer approach in one being at the sacrifice of —eminence in one being at the s distinction in the other."

The medical press is beginning to run the old story, true or false, about the late Dr. James R. Wood. It appears that the doctor was surrounded by a group of surgeons at Bellevue, to whom he gave this dictum: "There are but three surgeons in the United States who are really worthy the United States who are really worthy of being called eminent. The first is Dr. —, the second is Dr. —, and the third but modesty, gentlemen, prevents my naming the third one to you," and the doctor bowed himself gracefully away from his somewhat amazed brethren.

A certain M. Bibbero is reported to l n training on Tyneside, in England, with the intention of committing suicide next summer. Undeterred by the painful fate of Capt. Webb, this foolhardy foreigner is of Capt. Webb, this foolnardy foreigner is deliberately preparing himself for an at-tempt to swim across the Niagara rapids. With this view he is undergoing a course of strict training, and taking rowing exer-cise, for the waters of the Tyne are too cold at present even for one in whom the love of swimming would seem to be so

CLEVELAND, March 10-Frank H. Morse, prominent business man, suicided by hooting. He was troubled with dys-

Every observer who walks the streets of a great city, and scans with intelligent eye the colorless faces of more than fifty per cent of the people he meets, can easily agree with us in the statement, that this age, which makes such drafts upon the working energies of the greater part of men in the intense pursuit of business, has destroyed in a proportionate degree the animal health and robust constitution. Nature, in this stage of exhaustion, cannot be restored of itself, but requires some stimulating tonic, to strengthen and keep the system in regular order, and in Northrop & Lyman's Quinine Wine, we have the exact remedy required. The peculiar operation of this medicine, in eases of general debility and nervous prostration, and it is believed it will never fail, if properly and judiciously administered. Prepared by Northrop & Lyman, Toronto, and sold by all druggists.

As far as the eye can reach nothing but ice is presented on Lake Ontario. The ice has jammed into Burlington canal and the ferry just now is useless. The bay is more solid than it has been during the season, and as things look now navigation's open-ing will not be as early as usual this year.

The reason why "Nonsuch Washing Compound" should be used in preference to all other washing preparations. First, It is perfectly harmless. Second, It saves more than half the labor. Third, It is the Smallpox.
