BELLAMY

THAT portion of Scarboro now known as BELLAMY is the pride of Ontario, it has no equal in point of fertility, beauty, healthfulness and accessibility. It extends from half a mile north of the G.T.R. to the waters of Lake Ontario and is 320. feet above the lake, the highest point between Toronto and Quebec. We do not sell off a few acres, pocket the proceeds and leave the place to its fate. We lay out our property on a broad liberal basis, and even after the land is sold we plant the streets with beautif shade trees and continue to take an interest in everything that would tend to develop th neighborhood. WE ARE GIVING FREE SITES FOR SCHOOLS. We will have edu cational facilities of all grades, from the Kindergarten to the High School. FREE SITES FOR CHURCHES and other liberal assistance, and the most liberal and public spirite

Remember we have 1700 acres of land in the most beautiful, healthy, cheap and access ible part of the Continent to develop and sell, and we are determined to distance all co petitors to such an extent that we will practically have no competition,

Have confounded a recent sale of Lands in Scarboro with Bellamy--Understand clearly we have sold no land yet, although we have had thousands of applications and enquiries.

People have importuned us to accept their money, but we would not do so, as our plans were not perfected, and we were determined that no greed for immediate gain should induce us to place a crude or defective scheme before the public, to the detriment of our interests and yours and the neighborhood generally; but we will be in a position to sell and give possession on the 9TH OF JULY, when we will have our FREE EXCURgive possession on the 9TH OF JULY, when we will have our SIONS, when "whosoever will may come," no exceptions, no discrete

Three Large, Free Excursion Trains will leave the Union Station at 9.30, II and 1.30 o'clock respectively,

In order to compensate the people for the delay and disappointment we have determined to depart from our policy as laid down in our pamphlet and other advertisements but only in so far as this one estate is concerned.

We have laid out eighty acres in close proximity to Bellamy Station, and we will sell

ONE HUNDRED LOTS FOR FIFTEEN DOLLARS EACH, the first one hundred applicants. These lots have a frontage of 30 feet and a depth of 20 feet. We will sell fifty other lots of the same size at Twenty-five Dollars to the next fifty applicants and fifty more at Thirty-five Dollars. Two hundred lots only to be sold at

Not More than Two Lots to any one person at That Priceand all sales to take place on the grounds. Nothing like this ever offered in or about Toronto before, and we doubt if the like will be ever offered again. Every lot a good desirable Building Lot.

BUILDING BOUNTIES

In Three Months.

WE GUARANTEE that the general municipal taxation on a lot with a house worth eight hundred dollars WILL NOT EX- We will give TWO HUNDRED---\$200---in Cash to Each of CEED TWO DOLLARS A YEAR. the first ten people who build,

Upon the simple conditions that the persons claiming the bounty shall each build a house worth at least \$800, complete according to any plan and specification submitted by purchaser, and commence to build before the 1st of August next, and that the houses shall be

com pleted and occupied bona fide before the 1st day of November next. WE WILL GIVE ONE HUNDRED DOLLARS (\$100) IN CASH o each of the next thirty who build within the same time and terms. This insures at least

orty houses with bona fide occupants within three months. WE WILL DEPOSIT \$5000 of the proceeds of this sale in the Imperial Bank of

Canada, to be paid out upon the above conditions. The only proof that the bank will require before paying out the bounty will be a declaration of the person claiming the money, testified to by any respectable city architect. But we will give \$10 additional (\$910 in all, or \$110 as the case may be) if we be allowed to nominate the architect. Our only object is to have the best architectural talent, which does much to beautify and make comfortable and healthy the most humble homes. Beauty costs nothing and is very desirable, especially from the properties of the property of the properties of the prope ir standpoint, as we have 1700 acres of land in one block and we are determine the prettiest, healthiest, cheapest and most accessible suburb in or about Toronto.

Although this offer looks wild and extravagant, it is a simple and genuine b transaction, and it means that we will actually give away \$5000 in cold hard cash as building bounties. You will understand this offer when you consider that we have an estate of over 1700 acres and this is the initial sale. The above terms apply to this estate only, and we only offer these terms to secure the population required to insure a rapid and frequent train service. OUR PROFIT WILL COME LATER.

BELLAMY will be a perfect model of a beautiful residential town, a cheap and healthful clace to live in. It is estimated that the number of dwellings to be erected this season will acceed 200, and some have estimated that over \$300,000 will be expended in improving and veloping Bellamy within the next eighteen months.

The time is past for people to pay from \$20 to \$200 per foot when they can get land in a better place at less than one-tenth of that price, where they can reach home or business in half the time at half the cost that they can in the city, AND NO 17 MILLS ON THE DOLLAR. Of course if people want a special improvement on or in front of their property they will have to pay the cost of it; but we will guarantee that the general tax will not exceed two dollars on a house and lot worth one thousand dollars.

A cheap and abundant supply of the purest water in the world. No diluted sewage. No bacteria. No microbes. Consequently no typhoid or other contagious or infectious diseases.

on the grounds.

Mr. E. A. Macdonald, whose enterprise as everybody knows, has caused an increase of millions of dollars in the value of property in the East End, doing more perhaps than any hundred other East Enders, is our manager. This promises a policy of push, energy and development.

Of this portion of the estate can be had at the Company's Offices, both at Toronto and Bellamy.

BELLAMY LAND CO.

36 KING-ST. E., TORONTO.

N.B.---We state clearly the size of our lots and we insist that the purchaser shall see every lot before buying. We believe this to be a necessary precaution in these degenerate days. A hole in the ground unfit for building, garden or farm purposes, is dear at any price.
