There's Magic In It. What must be the satisfaction and gratification, at so small a cost, of one who writes like this? Mr. W. Mason, editor of The Retford and Gainsborough News, Retford, Eng., says: "I had suffered from a sprained Eng., says: "I had suffered from a sprained knee for twelve months, without being able to obtain relief from the pain, when I rubbed the knee thoroughly for twenty minutes with St. Jacobs Oil. How She Became a Missionary. "I'm doing missionary work a good deal of th time," was the reply of one of the most charming women of New York to a friend who asked how she busied herself, "I see by your look you wonder what I mean by that. I'll tell you. A wonder while years ago life was a burden to me. I had been a victim to female weakness of the most aggravated character for a long time, and the aggravated character for a long time, and the doctors failed to help me. Existence was a long, doctors failed to help me. Existence was a long, and the state of the long time and the state of the long time and doctors failed to help me. Existence was a long, steady, terrible torture—alingering, living death. One day I saw Dr. Fierce's Favorite Prescription advertised in the newspaper. Something in the advertisement impressed me favorably I caught At the glimmer of hope it held out as the drowning man is said to catch at a straw. Still I did not dare to hope. But I got the medicine, and behold the result: I feel so well, so strong, and O, so thankful, that I go about telling other women what sayed me. In no other way can I so well show my gratitude to God, and to the man who has proved such a benefactor of women, and my love for my suffering sisterhood."
