

**SHERBROOKE STREET INSTITUTE,
FOR THE EDUCATION OF YOUNG LADIES, AND
CHILDREN OF BOTH SEXES.**

MR. & MRS. C. P. BROADWELL, PRINCIPALS,

ASSISTED BY THEIR THREE ELDEST DAUGHTERS.

The public are respectfully informed, that the above Institution was opened

**IN BLINKBONNIE COTTAGE,
152, Sherbrooke Street, 152,
(Near DeBligny Street.)**

ON MONDAY THE SECOND OF JUNE.

All branches, solid and ornamental, thoroughly taught. Discipline firm and effective, but mild,—such altogether as to secure a pleasant state of feeling among the pupils, and gain the approbation of parents and guardians. Particular attention paid to the **MANNERS** and **MORAL DEPORTMENT** of pupils.

A limited number of female pupils can be accommodated with Board.

Mr. and Mrs. B. have had long experience in Teaching, in the cities of New York, and Newark, New Jersey. Their Daughters have been their Assistants; they have also, each taught separate Schools, with good success.

Although the particular advantages of the location of **BLINKBONNIE COTTAGE** are well known to the citizens of Montreal, we may be permitted to remind them of its elevated position—affording, with its spacious and well ventilated apartments, and surrounding forest and fruit trees, shrubbery and flower garden, a pleasant and healthful retreat from the more compact and less elevated parts of the city.

References, Testimonials, Terms, and full particulars given on application to the **PRINCIPALS**.

Mr. and Mrs. **BROADWELL** have the pleasure of expressing much gratitude to their friends and the public, for the liberal patronage already extended to their new Institution. They beg to assure parents and guardians that if unremitting efforts, aided by able and efficient Teachers in every Department, will secure success, they are determined to secure it. They thus hope to gain the approbation of parents and guardians who may patronize them,—of those who may in any wise aid in establishing the Institution on a firm and permanent basis,—and, indeed, of all who duly appreciate the importance of a correct and thorough education.

To friends who have already given proofs—and a number have without solicitation—of a lively interest in the success of their enterprise, Mr. and Mrs. B. take this occasion to express their sincere gratitude.

Montreal, July 1, 1856.

Mr. and Mrs. **BROADWELL** having had long experience as Parents and Teachers in guarding the health and morals of children and youth, announce to Parents and Guardians who may wish to study convenience or economy, and perhaps in many instances the health of the younger members of their families, during the absence of themselves from town through the hot season,—that they would afford their children or wards a safe, comfortable, pleasant, healthful home at **Blinkbonnie Cottage**. Those for whom it might be requested, would be allowed a daily or an occasional walk, mountainwise, under suitable protection. Full or partial instruction would be given, if desired, in Music, (instrumental and vocal,) Painting, Drawing, ornamental and plain Needlework, &c., and in any or all other branches.

To parties applying for the above object, satisfactory Testimonials—over the signatures of former References, School Patrons, and others, in the City of New York, many of whom are well and favorably known to multitudes in Montreal, will be exhibited.
