clock of the Course, -J. S. Carlisle, St. Cath-St. Catharines, July 10th.—Owing to

the fact that the colt stakes promoted by the local association did not fill, the tenth anual meeting was hardly as interesting, from an outside point of view, as usual. Leally, however, the interest was greater than ever. The track was fast and the time made generally good, especially in the 3-minute class, in which Nettie D., an extremely promising mare from Picion, won easily but judiciously, Bryson, the second horse in the summary, always being within an open length of her. Forst King was taken sick during the first heat, and was withdrawn. In the local trot, David Follis was fined \$5 for not bringing Ned Haulan from the barn after the second heat. Summaries :

Starter-J. H. Kennedy Judges-J. Riopel and Alex. Langevin. Clerk of Scales Arthur Howell

Montreal, July 10th. - Fifteen hundred persons attended the opening of the midsummer trotting meeting at Lepine Park to-day and saw some good racing. The two items on the programme were the 2.15 class and 2.17 class. The former was won by Lady Lee, and the 2.17 by Little Pitt, in straight heats. The time of the latter was slow, as Pitt was never pushed. Miss Myrtle Peek, with her string of trained horses, gave an interesting performance during the afternoon.

#### THE FIRST DAY AT DETROIT.

Detroit, July 16th .- Just at 2 o'clock this afternoon the stars and stripes and long streamers were run up the 175-foot flagpole in the infield, Liberati's band played the "Star Spangled Banner," and the new track of the Detroit Driving Club was dedicated. The day was fine, but the crowd was not up to expectations, owing to a heavy storm in the city, while the sun shone all day at the track. The pro-gramme contained but one event which was likely to be sensational, namely: the 2.25 pace between four-year-olds, but the time in it did not equal that made by the winner at Windsor. First came the twoyear-olds, with Bucyrus, that took a record of 2.25½ at Lexington, the favorite This colt had no trouble beating the Pa tron filly, Marie D. In the four-year-old pacing stake, Rubenstein, 2.09‡, was the favorite, and there was nothing in the bunch that could live with him. Grathings were expected of Barondale, Great half-brother of the winner, and of Clay Hontas, the winner at Columbus, but he carried them all so fast to the half that he jogged home in front. The 2.27 trot proved the race of the day and the only one in which a favorite was knocked down. Sixty-Six, who won two races at down. Sixty-Six, who won two faces at Saginaw last week for Hamlin, was an odds on favorite, and after Clemmie G. had won a heat, he still reigned in favor. had won a neat, he sun reigned in layor. In the second, Sixty-Six disposed of Fasig's Eloise in a brush through the stretch and nothing was demanded but the Village Farm entry. The race in the third heat was between the same two, and when Eloise broke on the last turn, Geers took Sixty-Six to the front. She

settled and came along so fast that she beat the gelding a neck at the wire. Sixty-Six was distressed and was drawn, the judges being satisfied that he was not in racing condition. He caught cold on the way from Saginaw, and this with his
