CLOSING hymn.

The Committee on Home Missions held their first meeting for this year early in September. It was decided that Mrs. MacDonald from the North Church be added to our committee.

The appropriations for Home Missions for this year were taken up. We begin this year with a balance of \$152.14 for our H. M. work.

Last year we said we would try to raise \$1600 for Home Missions but we raised more. \$1752.14 was sent to the Treasurer. So this year the committee found that at the annual meeting it had been decided to try and raise a little more.

## Suggested Programme for November.
