**BRITISH AMERICAN COMMERCIAL COLLEGE.**

LOCATED IN TORONTO AND HAMILTON,

**DESIGN** to educate young men for busi-  
ness, and prepare them for the duties of Prac-  
tical Accountants.

The Proprietors of this Institution take great pleasure  
in announcing to the young men of Canada, that they  
have opened a Branch of their College in the City of  
Hamilton, C. W., where the same course of Practical  
Instruction which has met with such success in Toron-  
to will be given. This course of instruction combines  
practice with theory, and embraces everything necessary  
for the book-keeper and business man. The  
branches taught consist of Book-keeping by Double  
and Single Entry, adapted to all kinds of business  
such as Mining, Milling, Manufacturing, Wholesale  
and Retail Merchandising, Forwarding and Commis-  
sion. Foreign Exchange, (a set where the books are  
kept partly in sterling money), Railwaying, Steam-  
boating, Banking, Commercial Law, Commercial  
Arithmetic, Commercial Correspondence, Spelling,  
Telegraphing, and Phonography.

To the young man just setting forth into the busi-  
ness world, a thorough knowledge of these branches is  
a sure means of rapid promotion.

To the man in business, or to the one about com-  
mencing, a knowledge of these branches is indispen-  
sably necessary to a successful business career.

The actual Business Department is furnished with a  
Bank, conducted on the same principles as our favour-  
ite Banking houses, where the Students make their  
deposits of money, and Notes for Collection and Dis-  
count, and on which they draw their Cheques, Drafts,  
&c. A Merchant's Emponum or Wholesale Estab-  
lishment, where the first purchases of Merchandise,  
Groceries, &c., are made. This is a representative of  
one of the largest Wholesale Houses in the City of  
Toronto; the books, ten in number, being kept on  
the same principle; and an Exchange Office for the  
buying and selling of a depreciated currency. A  
thorough knowledge of this branch has become abso-  
lutely necessary to almost all classes of business men  
and accountants. This Department is under the charge  
of a Teacher who has had years of experience as a  
Practical Accountant.

Our Board of Examiners is composed of practical  
business men, whose names to a Diploma are sure  
guarantees of efficiency and employment.  
Students can enter at any time.

For Monthly Circular, Specimens of Writing, &c.,  
address (enclosing stamp):

MUSGROVE & WRIGHT,

At Toronto or Hamilton.

KERSHAW & EDWARDS,

ESTABLISHED

YEAR 1838.

**IMPROVED FIRE PROOF SAFE.**

The favor these Safes have won by their many  
and severe trials during the last quarter of a century,  
from the fact that not one has ever failed in preserving  
its contents, thoroughly establishes their reliability,  
and with recent improvements made during the past  
two years, we offer them as the most perfect Fire Proof  
security extant, and free from dampness.

Our Burglar Proof Specie Boxes made of combined  
iron and steel in a manner peculiarly our own, the  
steel so highly tempered and placed as to be beyond the  
reach of, and defy the tools of the most ingenious  
burglars, and when placed inside of one of our Fire  
Proofs produce a most perfect Fire and Burglar Proof  
security. Merchants having large amounts of silver  
on hand should not be without one.

We also manufacture Patent Combination Bank  
Locks, and the most modern Bank and other securi-  
ties.

Lists of sizes and prices mailed on application.

KERSHAW & EDWARDS,  
1-1y 82, 84 & 86, St. Francois Xavier street, Montreal.
