IMPORTED

HIGH CLASS

GAME

BANTAMS

Having imported some of the finest Game Bantams money could procure, both in the United States and Great Britain, I now consider I have the finest collection on this Continent, as the Premium Lists of the different Exhibitions at which I have shown will prove:

At the Ontario Poultry Show, held in Guelph, I made 25 entries, winning 24 premiums, taking every First I entered for.

At the New England Pigeon and Bantam Show, held at Springfield, Mass., I won six 1st premiums, six 2nd premiums, and five 3rd premiums, and Special for the highest scoring Bantam on exhibition.

My stock includes the following varieties—BLACK B. RED, BROWN RED, RED PILE, YELLOW DUCKWING and PURE WHITE GAME BANTAMS. Eggs, \$4 per 13. Chicks for sale after October. No price lists. All correspondence cheerfully answered.

Yards at 160 John Street, 80 Sullivan Street, 46 Stafford Street, and 1 and 2 Way's Block, Queen Street West.

READ THIS!

JUST WHAT all horsemen should know and have is a large bottle of **KENNEDY'S Lightning Remedy**.—A book of 22 pages goes with each bottle that teaches the art of expelling shortness; this book also instructs any man how to cure heaves in horses; remove a wart from a horse; to cure colic without medicine; to physic a horse; to make condition powders; to cure bone spavin, curb, splint, ringbone, sweetuy, or to remove a pipe where a running sore is formed, and to cure founder; all to be done without the use of the burning iron or knife, and not putting the horse out of use, as you can work him every day or turn him out to grass. I will forward it to any address upon receipt of \$1.00.

You will only hear one sentiment, and that is, that a bottle of Kennedy's Lightning Remedy is worth a hundred of any other preparation for curing everything.

I can cure any bog spavin or thoroughpin on a horse in 5 minutes.
