

Why it is so Popular

We import a select Cascara Bark. We do our own grinding. We do not add any foreign purgative or Cathartic. It is the Extract from the bark alone, made in such a way as to be most agreeable to the taste. Possessing the full medicinal strength—twice that of some, equaling any. IN PRICE no higher than the cheap grades. Consult your own interests by proving the truth of these statements. Specify AROMATIC CASCARA, made by
