STRANGE BUT TRUE! THE ONLY SURE CURE FOR DROPSY READ THE FOLLOWING.

Messrs. C. GATES & Co.: Gentlemen--I should have written to you before, but neglected to do so. I feel it my duty to send you the following information, from gratitude to you and the benefit of those suffering as I was. About five years ago I was greatly afflicted with Rheumatism and Dropsy; my legs were swollen to an enormous size; I could not even get from my bed without the aid of my wife for several days at a time. I tried all kinds of patent medicines, and a number of bottles of Dr. Thomas' Electric Oil, and also Johnson's Liniment, but found myself worse. I applied to several doctors, from whom I received no benefit. In the following summer I went to Halifax, to the Provincial Hospital, and there lay under the doctors' treatment for eight weeks. I had my legs tapped twice and blistered several times. I suffered day and night--everything but death. I then left that hospital and returned home, having received little or no benefit, and expecting never to get any better. I was then advised by a friend to resort to your valuable medicine, No. 1 Syrup and No. 2 and No. 3 Bitters, with box of Nerve Ointment and Vegetable Plaster. The first few bottles I used I did not feel much better, but when I had taken six bottles the swelling was going down in my legs, and my whole system began to feel better. In all I used but twelve bottles, and I am now enjoying the best of health. I am thankful to God that he made your medicine an instrument in His hands of saving my life. Yours very truly, W. E. SHAFFER. Sworn to before me, at New Dublin, this 27th day of December, 1881. JOHN GAUL, J. P.

PUTTNER'S EMULSION

Has obtained the highest medical reputation of any other preparation known, and soon after taking it one is sensible that it is "not a bogus preparation" but performs all that it claims.

Read what the Rev. P. J. Fillet says: Weymouth, N. S., May 6, 1881.

C. E. PUTTNER, D. D. M. Dear Sir,--I have used your Emulsion myself, and so have members of my family, and must say with signal benefit. Soon after taking it one is sensible that the article is not a "bogus" preparation but all that it claims to be.

I am 62 years of age, undertaking the performance of three full services each Lord's day, besides week-day duties, and I am occasionally greatly indebted to your Emulsion for the tone and vigor in which I am able to go through the physically oppressive duty.

I have recommended it to parties suffering from coughs, colds, debility, &c., and I am thankful to add that the results have in every instance been most beneficial. Wishing you all success, I am, Dear Sir, very faithfully P. J. FILLET, Episcopal Minister.

PUTTNER'S EMULSION.

Pugwash, N. S., Feb. 10, 1882. Dear Sir,--I take this opportunity of congratulating you upon the widespread reputation your justly esteemed Emulsion of Cod Liver Oil has earned for itself throughout this extensive country. As a remedy of general utility in the household, it is inestimable, and in cases of overtaxation of mental or physical labor to which the Clergy are exposed in the ordinary performance of their parochial work, no one can have an idea of its efficacy before giving it a trial. Suffering from extreme debility for a length of time, after trying a number of other remedies, I was induced through persuasion of my Clerical Brethren, to try one bottle of your Emulsion. Its controlling power was so surprising that I continued its use as prescribed for a few weeks, and am now enabled to undertake and to go through as long journeys with almost as little inconvenience as I experienced when I entered upon Ministerial duty 35 years ago. Being thus fully convinced that sufferers from exhaustion, brain weakness, or rheumatic attacks will gain speedy relief from the use of your Cod Liver Oil Compound, I feel it a duty to make known to such its remarkable effect upon the system. I am, dear sir, yours respectfully, R. F. BRINE, Rector of the United Parishes of St. Andrews, Wallace, and St. George, Pugwash, N. S., Cy. Cumberland.
