

Lord's and all that therein is," was afterwards sung by the clergy in procession. Arrived within the Church the usual prayers were offered by the Bishop, and the solemn ceremony of Consecration was brought to its close.

DIocese OF NOVA SCOTIA.

PERSONAL.—We add to our list of clergy who did duty in Montreal during meeting of Provincial Synod: On Sunday, the 19th Sept, Canon Townshend preached in the morning at St. John the Evangelist's Church; on Sunday, the 26th, at St. Martin's, and on the 29th, the Feast of Michael and All Angels, the Canon preached again at St. John the Evangelist.

DIGBY NECK.—This mission which has been for so many years without a clergyman, is now progressing favorably under the care of Rev. John Partridge. There are four stations at which the missionary holds service, three on Digby Neck, and one, by a strange allotment, at South Range, to reach which the missionary must needs drive nearly 30 miles and pass near the churches at Marshalltown and Barton, the former attached to the parish of Digby, and the latter to Weymouth. The most important station is Sandy Cove, a picturesque and thriving village of fishermen, about twenty miles from Digby.

Weymouth.—It must be gratifying to the readers of the CHURCH GUARDIAN to learn how works in connection with the Church, are progressing in our various parishes. Let me then say, that, after having been suspended during the summer months, the "Weymouth Ladies' Sewing Circle" has resumed its labors. It is worth repeating, that it was mainly through this agency that the idea of a new Parish Church was first entertained and carried into effect. And thus we have another instance that the enlisting of good and devoted women, in works of piety and usefulness, is a most effective means for good. The most kind and liberal response which the Rector recently received in Yarmouth, and in Halifax, to an appeal for aid to diminish the liabilities due on the New Church, has resulted in cutting down the debt one-half, and we anticipate that, when the proceeds of the work of the Sewing Circle are realized, the balance will not be much over \$200. The present opportunity is taken to refer to an observation in an "Appeal," issuing from a neighboring parish, and which might lead parties unacquainted with the facts, to suppose that we had been aided in the building of our Church by the inhabitants of that town. But we could never have thought of working for help from that quarter, where, in common with ourselves, a burden lay heavily on their hands. About four years ago however, a Church at Barton, midway between Weymouth and Digby, was being built. Never probably, was a Church erected in this Province under greater and more peculiar difficulties. In his desperate emergency. The Rector, with the kind sanction of his clerical brother, applied to his friends in Digby for assistance, and they generously contributed between \$40 and \$50, for which grateful thanks were tendered. We always endeavor to do what we can, whenever application is made to us from other parishes, either for the erection of Churches or other objects, as those of the Clergy and Laity, who have been among us, can testify. Our efforts in behalf of the "Board of Home Missions" may be seen by an inspection of the subscription list; and which is the result of hard and unintermitting labor. We rejoice to know that Weymouth will invariably be found among the comparatively few parishes which never omit making remittances to the W. & O. F., and to the Superannuation Fund; contributing to each of these, at least \$8 annually. We have neither gleebe, nor endowments; many of our people are, in reality, poor, and scattered over considerable space. Nevertheless, they, in common with the rest of their fellow-Churchmen, never fail, according to their ability to contribute to extraneous objects, while they are not unmindful of the "House of God and the offices thereof."

NEWPORT.—St. James' Church has just been reshingied; and all the Churches in the Parish have been insured. The Rev. Mr. How is faithfully building up the Church here.

LUNenburg.—The Rev. R. Wainwright, Clerical Secretary of the Diocese, has spent a week in a visit to this Parish, and its several districts, in aid of the objects and funds of the Boards of Home and Foreign Missions. On Sunday, Sept. 19th, he preached morning and evening in St. John's Church; and from the growth of the palm tree and the cedar, he shewed how the Christian's growth should be upward and Godward, outward and manward, illustrating his life and actions by the fruitfulness of the one, by the steadfastness, grace and grandeur of the other. He dwelt forcibly on the Divine promise that if we abide in the Commandments of God and the ordinances of Christ, we shall grow in fruitfulness and grace. The result is not uncertain if the conditions be complied with. In the afternoon he ad-

ressed the Sunday School on the subjects of Christian work and Church-helps, showing the happiness and advantages of early enlistment for the work of God's Church-army. During the week he visited and held meetings at St. Matthew's and the Ferry Churches, and at the Black Rock School House, the offertory collections amounting to \$12. On Thursday evening he addressed the Bible and Sunday School Teachers' Classes, showing the great advantages of punctual attendance and of pains taking attention, recommending the taking brief notes of the salient points and broad outlines of the instruction given. He organized bands of adult and juvenile collectors to receive funds periodically in aid of the Boards. The juvenile band will be called the "L. company of the First Regiment Royal Reserves." First, because it is the First Regiment found in the Diocese, Royal, because enlisted under the banner of the Great King Reserves, because training to fill the places of the veterans as they pass away from the Church Militant to the Church Triumphant. During the present week, 25 of the day scholars, who have been some time in training by Mr. A. J. Knight, and Miss Owen, successfully performed "H. M. S. Pinare" before crowded houses, clearing something like \$100 for the purchase of a new Sunday School Library.

Weymouth.—It must be gratifying to the readers of the CHURCH GUARDIAN to learn how works in connection with the Church, are progressing in our various parishes. Let me then say, that, after having been suspended during the summer months, the "Weymouth Ladies' Sewing Circle" has resumed its labors. I am requested to tender the grateful thanks of the Building Committee, the Wardens, and to which I beg to add my own, to those friends in Yarmouth and in Halifax who so kindly responded to the appeal, recently made them, to contribute in aid of the new Parish Church of St. Peter's, Weymouth. P. J. FILZEL, Rector, Sec'y. Building Committee.

FRANCE AND EUROPE SINCE 1848.

Prof. Alonzo Tripp, of Boston, the well known Lecturer on Europe, will deliver in Halifax, beginning probably on Thursday evening of this week, four of his popular Series, descriptive of the latest great epochs of French and European history, with vivid portraits of the prominent actors, including the *Eastern Question* illustrated by maps, the information being largely from personal and original sources. Prof. Tripp has made his grand theme a life work, and his charming delineations are said to combine the fascinations of romance with the rarest historical knowledge. We notice that the lectures, or historical portraits, have been delivered before brilliant audiences, and the higher institutions of learning in seventeen States, from Maine to Mississippi and in Canada, and are most emphatically indorsed by the leading press and minds of the highest culture and distinction everywhere, including the Episcopal Clergy. Rev. Dr. Beardsley, President of the General Convention now sitting in New York, was one of Mr. Tripp's patrons in New Haven in 1873. We notice that many of our prominent citizens have already secured family and season tickets.

PURE SPICES BROWN & WEBB, (LATE AVERY, BROWN & CO.) WHOLESALE DRUGGISTS, Spice Merchants, HALIFAX,

Invite the attention of readers of the Church Guardian to the

UNRIVALLED EXCELLENCE of the Spices ground and sold by them. For more than Twenty-Five years, our House has made

PURE SPICES A specialty.

Having been Pioneers in introducing and advocating their use in place of the MISERABLE TRASH very commonly sold in these Provinces as Ground Spices. We were the FIRST, and for many years the ONLY packers of really Genuine Ground Spices in Halifax, and with little or no advertising Avery, Brown & Co.'s

UNADULTERATED GROUND SPICES

have come to be recognized in most parts of Nova Scotia as THE BEST.

The result has been the gradual creation of a demand for better Spices, and other packers and dealers have been forced to meet this growing improvement in popular taste by furnishing better goods than formerly.

Still while most grinders profess to supply Pure Spices, they also, send out several inferior grades, thus admitting that they practice adulteration. The recent reports of the analysis of Spices and Foods, by the Inspectors appointed by the Dominion Government have thrown fresh light upon the enormous extent of the adulteration practiced upon Spices. Reference to these reports will show that

BROWN & WEBB'S SPICES

have invariably stood the test, and been reported

Absolutely Pure Spice.

The only excuse for the adulteration of Spices is that the price is thus reduced; but this really only benefits the dealer at the expense of the consumer. In reality as the value of Spices depends only on its Strength and Flavor

The Best is Always the Cheapest.

Our sale of Pure Spices has increased to a very gratifying extent, and as we purchase the whole Spices in large quantities in the best markets of the world, we are enabled to offer our Genuine Spices at little, if anything, higher prices than are demanded for inferior goods of other brands. Be it understood, however, that we will never sacrifice the QUALITY of our goods to the rage for CHEAPNESS, but will always maintain the standard of purity which has given our brand of Ground Spice the preference wherever it is known.

Our Spices are ground by Steam Power, ON OUR OWN PREMISES, packed in tin-foil packets of 2 ounce and quarter pound FULL WEIGHT, and labelled with OUR NAME. They may be had at all the leading retail grocers throughout the Maritime Provinces. We request the favor of a TRIAL of them by any who have not already used them. Convinced that their own merits will secure their continuous use.

Ground Allspice. Ground Cinnamon. Ground Cloves. Ground Ginger. Ground Pepper. Mixed Spices.
