D. & J. SADLIER & Co., HAVE JUST PUBLISHED

THE GOLDEN MANUAL;

BEING A QUIDE TO CATHOLIC DEVOTION, PUBLIC AND PRIVATE,

With the approbation of the Most Rev. Dr. Hughes Archbishop of New York.

THIS Manual contains, in addition to forms in general use various devotions selected from approved continental works. The Prayers, Litanics, &c., have been collected from the Latin originals, wherever such were known to exist. The English versions of the Psalms here given, have been constructed by a comparison of the authorised Douay text, (to which in substance it adheres,) with the several other versions, which from time to n agnered,) with the several other versions, which from the time, have been sanctioned for the purpose of devotion. The indulgenced prayers have been literally translated from the Racotla, Bouviers' Treatise on Indulgences, and the best edition of the Coeleste Palmetam. The particulars connected with the Confraternities, &c., to which indulgences are attached, have been carefully collected from authorised sources.

The American Edition has been enlarged by the addition of

The American Edition has been enlarged by the addition of THREE HUNDRED PACES of matter, under the supervision of a Rev. gentleman of New York. Many new translations have been made expressly for it, and a great number of Prayers have been added, which are in constant use in this country. The Illustrations are appropriate and well executed.

We send this book confidently before the public, with the assurance that no expense has been spared to make it (what it really is) the most complete Prayer Book ever published in the English language.

English language.

The following notice of the work, is taken from Brownson's Quarterly Review for July, 1851:—

"This is a reprint from an English Manual approved by "This is a reprint from an English Manual approved by Cardinal Wiseman, with large additions by the American editor. It is the largest and most complete manual of devotion we are acquainted with. It contains a great variety of devotions, adapted to almost every occasion and to every laste, and, as far as we have examined it, selected with judgment and true devotional feeling. We know of little, except in devotions before and after communion, that we could desire to have added, and we have met with nothing in it that we wish to have omitted. It is due to the publishers to say that the copy before us is well printed, and richly bound. It contains numerous illustrations, several of which are executed with much skill and artistic skill printed, and richly bound. It contains intuitively interests interested with much skill and attastic skill and taste. There is no occasion to commend this Golden Manual to the public, for it is approved by the Most Rev. the Archbishop of New York, and is sure to become, and deservedly, a great favorite with devout Christians."

"At the present moment when the whole Catholic world is impo awaking to the vital importance of securing a religious educa-tion for the rising generation, it seemed to me that this little work might do a great deal of good, and I have hastily thrown it into an English form for the benefit of our own people, both parents and children. Let both read, the children for amusement, and the parents for instruction, and let the latter reflect on the contents of this simple volume,—they will find it a most

on the contents of this simple volume,—they will find it a most useful lesson.

It is with inexpressible joy that I see the schools of the Christian Brothers spreading from town to town and from city to city throughout the length and breadth of Christendom. Nation after nation is opening her arms to invite their approach, and wherever they go, they bring with them true faith, humble fervent piety, and the purest of all morality. These are the lessons they every where inculcate, and our Benjamin is but one instance of the benign effects of their teachings. The day has at length come, when Catholic parents have no longer an excuse for sending their children to Godless' schools—they all have the means of having sound religious instructions, blended have the means of having sound religious instructions, blended with their children's secular learning, and we be to them if they avail themselves not of the advantages placed by Providence at

GUM-COATED FOREST PILLS.

(A Sarsaparilla preparation of unexampled efficacy.) (A Sarsaparilla preparation of unexampled efficacy.)

These Pills are prepared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge without griping, nauscaling, or weakening; can be taken at any time, without hindrance from business, change of diet, or danger of taking cokl. They neither have the taste nor the smell of medicine, and are five times more effectual in the cure of diseases than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their good effects. Invalids, given over by their Physicians as incurable, have found relief, and been restored to sound and vigorous health from their use.

TO EATHERS OF EAMILIES

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasion more sickness and deaths in families, than all other causes of disease put together. Sometimes whole families are taken down by malignant tevers, Fever and Ague, and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness. existing from biliousness—no parent would be guilty of causing

DEATH OF HIS OWN CHILDREN!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person gets bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating is death. A single 25 cent box of Dr. Hulsey's Gum-coated Forest Pills, is sufficient to keep a whole family from bilious attacks and sickness, from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills, for a child; from 3 to 4 for an adult; and from 5 to 6, for a grown person, carry off all bills. an adult; and from 5 to 6, for a grown person, carry off all billious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, se well as all common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gaulduch, and carry all morbid, bilious matter, from the stomach and bowels, leaving the system strong and buoyant—mind clear; producing permanent good health.

NOTICE TO THE PUBLIC.

In 1845, Dr. Halsey's Pills were first made known to the pub-lic, under the denomination of "Halsey's Sugar-coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great swecass excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good will Dr. Halsey's Fills had gained, The public are now most respectfully notified, that Dr. Hal-

sey's genuine Pills will henceforth be coated with GUM ARABIC.

An article which, in every respect, supersedes Sugar, both a account of its healing virtues, and its durability. The discovery of this improvement, is the result of a succession of experiment, during three years. For the invention of which, Dr. Halsey has Government of the United States of America.

The Gum-coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of

pure Gum Arabic, with which they are coated, renders then still better than Dr. Halsey's celebrated Sugar-coated Pills. The Gum-coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauscating taste of Medicine. In order to avoid all imposition, and to obtain Dr. Halsey's true and genuine l'ills, see that the label of each box bears the signature of G. W. HALSEY. Reader!!!
