

lots of fine cheese have continued to sell at 10c., but some small trade-lots, not really fine we should say, have sold at 9c.; common previously offered at 6 to 8c. seem to have been cleared out. Eggs have generally sold as before, at 16c. for cases and 15c. for trade-lots, with enough in; at the close, however, some quoted a cent higher, but we should call this exceptional. Small lots of pork have continued in good demand at \$18 to \$18.50. The only old make of bacon in the market has been long-clear, and it has been rather firmer at 11½ to 11¾c. for tons and cases, with still smaller lots at 12c.; a little new Cumberland has sold at 12c.; new rolls have brought 12½c. and bellies 14c., but the total movement in these has been light. New smoked hams have sold usually in small lots at 13 to 13½c., with a few trade-lots at 12½c., and some movement in pickled of heavy-weight at 10½c. Lard is firmer; with tins sold at 11½c.; tins at 11½ to 12c., and pails at 12 to 12½c., with a fairly good demand. Dried apples are in active but obtainable from dealers at 6½ to 7c.; evaporated, however, have continued to sell fairly well at from 9 to 9½c., according to quantity and quality. White beans are almost finished; but a few still obtainable at from \$2.00 to 2.25, the latter for hand-picked, and new expected next month. Liverpool coarse salt has been quiet; cars nominal; trade-lots of not under 100 bags have been offered at 65c., but we do not hear of any sales; small lots have sold very slowly at 70 to 75c. Canadian inactive and unchanged at former prices.

Wool.—Trade is quiet and prices, apparently, rather easier, with buyers holding off. There was one lot of 5,000 lbs. of selected fleece sold at 20c., but smaller lots of it seem to have been worth only 19½c. and merchantable 19c., with 16c. for rejected; and Southdown 23c. for the little offered. There is said to be a good deal held in the country, but outside advices have not led dealers generally to go in for it at holders' prices.

## SAULT Ste. MARIE CANAL.

### NOTICE TO CONTRACTORS.

Sealed tenders addressed to the undersigned and endorsed "Tenders for the Sault Ste. Marie Canal," will be received at this office until the arrival of the eastern and western mails on Tuesday, the 23rd Day of October, next, for the formation and construction of a Canal on the Canadian side of the river, through the Island of St. Mary.

The works will be let in two sections, one of which will embrace the formation of the canal through the Island, the construction of locks, &c. The other, the deepening and widening of the channel way at both ends of the Canal; construction of piers, &c.

A map of the locality, together with plans and specifications of the works can be seen at this Office on and after Tuesday, the 9th day of October, next, where printed forms of tender can also be obtained. A like class of information relative to the works, can be seen at the office of the local officer in the Town of Sault Ste. Marie, Ont.

Intending contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms and be accompanied by a letter stating that the person or persons tendering have carefully examined the locality and the nature of the material found in the trial pits.

In the case of firms, there must be attached the actual signatures of the full name, the nature of the occupation, and residence of each member of the same; and further, a Bank Deposit Receipt for the sum of \$20,000 must accompany the tender for the canal and locks; and a Bank Deposit Receipt for the sum of \$7,500 must accompany the tender for the deepening and widening of the channel-way at both ends, piers, &c.

The respective Deposit Receipts—cheques will not be accepted—must be endorsed over to the Minister of Railways and Canals, and will be forfeited if the party tendering declines entering into contract for the works, at the rates and on the terms stated in the offer submitted.

The deposit receipts thus sent in will be returned to the respective parties whose tenders are not accepted.

This Department does not, however, bind itself to accept the lowest or any tenders.

By order,

A. P. BRADLEY,  
Secretary.

Department of Railways and Canals,  
Ottawa, 8th August, 1888.
