## THE KODAK STORY

Of summer days grows in charm as the months go by—it's always interesting—it's personal—it tells of the places, the people and the incidents from your point of view—just as you saw them.

And it's an easy story to record, for the Kodak works at the bidding of the interest novice. There is no dark-room for any part of Kodak work, it's all simple. Press the button—do the rest—or leave it to another—just as you please.

The Kodak catalogue tells the details. Call for one or send your name and address and we will mail it to you free.
