

## While you wait.

Herewith we wish to tell you,  
 You come to Lac St<sup>e</sup> Anne,  
 You place with us your order,  
 And we'll do the best we can  
 While you wait.

Trading is our business;  
 Waiting is our trade,  
 And if you order any thing,  
 The greatest haste is made  
 While you wait.

No trouble too, to show our  
 Goods.  
 And tell you what they'll cost  
 Truly it will be worth your while  
 And not a minute is lost  
 While you wait.

For they're well worth seeing  
 So says the Owl!  
 Each night on our chimney top.  
 They should be seen to be realized  
 Whether you buy or not.

While you wait.  
 Henderson & Son,  
 General merchants.
