Canada and the Multilateral Trade Negotiations (GATT) :

*Does Canada need success in the
world trade talks?*

- *to create jobs :*
1 in 3 Canadian jobs depends on exports
- *to reduce consumer costs :*
lower tariffs mean lower prices
- *to boost world growth :*
trade brings economic growth; economic growth brings prosperity
- *to bolster our service sector :*
2 in 3 Canadian jobs are in telecommunications, engineering, financial and other services
- *to promote creativity and innovation :*
protection of patents and copyrights means more research in Canada
- *to bring order to farm trade :*
all farmers need a predictable, stable and fair trading environment
- *to resolve trade disputes fairly :*
clear rules, not economic clout, should govern trade law.
