

CSA's 1992 Mission Specialist astronaut-candidates must report to JSC on or before August 3, 1992. CSA's 1995 candidate must report to JSC on or before March 6, 1995.

All astronaut-candidates must be fluent in both written and spoken English by their respective training report dates.

4.0 TRAINING

4.1 General

CSA shall require that its astronaut-candidates and Mission Specialists sign and be bound by a Standards of Conduct Agreement (Enclosure 1) and shall ensure that its astronaut-candidates/Mission Specialists comply with the Standards of Conduct Agreement. This Standards of Conduct Agreement must be signed and delivered to the NASA Agreement Coordinator before each respective astronaut-candidate reports for basic training at JSC.

Throughout the Training program, as described in this Agreement, CSA astronaut-candidates/Mission Specialists will be based at the JSC in Houston, Texas and will be assigned to the Astronaut Office in the Flight Crew Operations Directorate. All CSA requests to NASA that might affect a CSA astronaut candidate's/Mission Specialist's ability to carry out his/her training or collateral duties must be coordinated with the NASA Training Coordinator prior to any formal submittal of such requests to NASA. Such requests must be submitted in writing to the NASA Training Coordinator for approval.

NASA will provide general administrative support to CSA's astronaut-candidates/Mission Specialists throughout their assignment at JSC. General administrative support includes, but is not limited to, office space, desk, telephone, facsimile, and secretarial support. International phone and facsimile costs not directly in support of Training will be the responsibility of CSA.

Travel in support of Training under this Agreement will be provided by NASA. All other travel will be the responsibility of CSA.
