

Natural Sciences and Engineering Research Council Canada

Visiting fellowships in Canadian Government laboratories

The Government of Canada offers fellowships on behalf of the following Canadian Government departments and agencies: Agriculture Canada; Department of Communications—Communications Research Centre; Energy, Mines and Resources Canada; Fisheries and Oceans Canada—Atmospheric Environment Service, Canadian Forestry Service, Inland Waters Directorate, Lands Directorate, Environmental Protection Service—Air Pollution Control Directorate, Fisheries and Marine Service—Fisheries Management, Ocean and Aquatic Sciences; Health and Welfare Canada—Museum of Natural Sciences; National Research Council Canada; Atomic Energy of Canada Limited.

Fellowships have an annual value of \$16,777. The initial appointment will be for one year and may be renewed for a second year. An allowance will be provided towards the cost of travel.

An applicant should hold a doctoral degree from a recognized university or a master's degree plus experience in conducting successful independent research. There are no

restrictions limiting the nationality of applicants; however, successful candidates who are not Canadian citizens or landed immigrants residing in Canada must satisfy all the Canadian immigration requirements before commencing tenure of the fellowship. Applicants must not have reached their thirty-sixth birthday at the time of application, i.e. January 15.

For further information, please write to the Scholarships Officer, Natural Sciences and Engineering Research Council Canada, Montreal Road, Ottawa, Ontario K1A 0R6. Applications must be received in Ottawa by *January 15*.
