To the Honourable the Speaker of the House of Commons:

The General Librarian of Parliament has the honour to submit the Report on the Library for 1938.

Work on the Supplementary Catalogue of books donated and purchased during 1938 has been steadily pushed and the Catalogue will be issued at an

earlier date than usual.

The undersigned records with regret the passing of the Honourable Martin Burrell, P.C., LL.D., Parliamentary Librarian, former Minister of Agriculture and holder of three other portfolios in the Cabinet of Sir Robert Borden. Mr. Burrell died at his residence on the 20th March last, after a short illness. He was in his eightieth year. Mr. Burrell was eminent as a statesman, a man of letters, and an eloquent and witty speaker. His death constitutes a loss to the whole Dominion, particularly to those who were in close contact with him. When he retired from political life in 1920 he became Parliamentary Librarian. Surrounded by books he loved so well, he found in that position the greatest pleasure in his life of service. He was a warm friend, a delightful companion, a most interesting conversationalist, an author of distinction, an excellent speaker, an amusing and interesting raconteur and a great music lover. Kindly and courteous, he will be long remembered by the staff of the Parliamentary Library.

On October 1 last Mr. Albert Beaudry, French Senior Library Assistant, was retired on superannuation. Mr. Beaudry had done honourable and useful service in the Library for fifty-one years. The Civil Service Commission has appointed to the vacant position Mr. E. E. Trudel who has been a Library

Assistant since 1920.

The congested state of the Library has been referred to many times during the past few years. The General Librarian, at the previous suggestions of the Joint Committee, has been taking up the matter with the Public Works Department. Temporary relief of a substantial character has been afforded
