

the Canadian Radio-Television Commission, listed in the Estimates for the fiscal year ending March 31, 1973.

On April 18, 1972, your Committee heard Mr. Pierre Juneau, Chairman of the Canadian Radio-Television Commission and on April 25, 1972, your Committee heard a deputation (the Mayor and Town Solicitor) from Mississauga, Ontario in relation to the C.R.T.C.'s Mississauga Cable Decision 72-65.

On the basis of these hearings, your Committee submits the following findings:

1. Your Committee understands that the Community of Mississauga will appeal the Decision under Section 23 of the Broadcasting Act to the Governor in Council. Your Committee submits that the Governor in Council should set aside the original award, or should refer the issue back to the Commission for reconsideration and hearing, together with its opinion that more heed should be paid to the wishes of the Community of Mississauga being served.

2. The Community of Mississauga is acutely dissatisfied with the C.R.T.C.'s Cable Decision 72-65. The Community's Ratepayers Associations are unanimous in their criticisms of the C.R.T.C.'s decision and endorsed the Town Council's opposition to that Decision. The M.P. for Peel South has assured your Committee that there is strong support within the Community of Mississauga behind the municipality's decision to appeal the C.R.T.C. Decision 72-65.

3. The C.R.T.C. did not give the reasoning behind their Decision. No one is certain how C.R.T.C. Decision 72-65 fits in with the published C.R.T.C. Cable Policy of 16 July 1971—"POLICY STATEMENT ON CABLE TELEVISION".

4. Your Committee also believes that the C.R.T.C. ought to publish the reasons for its decisions. In the Mississauga decision, only the names of the applicants, and their territories, were provided. There were no reasons given for the awards. Your Committee recommends that all decisions of the C.R.T.C., especially where there are contested applications, ought to be accompanied by detailed statements of the reasoning behind them, as is now provided by the courts, and by other regulatory bodies such as the Canadian Transport Commission.
