

construction and operation of the proposed works, and also to the Secretaries of the Provinces of Alberta and British Columbia, as required by Standing Order 95(1).

Your Committee finds, however, that the period of two weeks after receipt of the notice by the Secretaries of the provinces concerned and the Clerks of the counties and municipalities has not yet expired.

Your Committee recommends that the advertising done in relation to these four applications be deemed and taken as compliance with the requirements of Standing Order 95.

Mr. Bertrand (Prescott), from the Standing Committee on Standing Orders, presented the Third Report of the said Committee, which is as follows:—

Pursuant to an Order of the House of April 26, your Committee has considered the petition of Raymond Lees Hughes, and others, praying for an Act to incorporate "The British American Pipe Line Company", which was presented after the stipulated time for such presentation, and finds:

1. That the application is being made under the provisions of Bill No. 190, An Act respecting Oil or Gas Pipe Lines;
2. That Bill No. 190 was not presented in the House of Commons until April 8, 1949, and
3. That it was impossible for the applicants to prepare and present their petition until the contents of the said Bill were known.

Your Committee recommends that Standing Order 92 be suspended and that the petition be received.

By leave, Mr. Bertrand (Prescott) moved,—That the Second and Third Reports of the Standing Committee on Standing Orders be now concurred in.

After Debate, the said motion was, by leave of the House, withdrawn.

On motion of Mr. Fournier (Hull), the House then adjourned at 10.34 o'clock, p.m., until to-morrow at three o'clock, p.m.

GASPARD FAUTEUX,
Speaker.
