a visit. One after Clarice's e there, when my promise to illage. None p my horse, I mat the door, his chief mentively listentively listentips. Once m some war-as preaching warriors sat

listening with the most profound attention to his words.

What were those words? He was telling them that they must become as children; that they must be born again, that their old evil nature might be overcome; that they must do good to their enemies, and forgive those who should injure them; that they must lead pure and holy lives, not giving way to their angry feelings, or even indulging in angry thoughts. He told them, too, of the Saviour's love, and the Saviour's death; how God would forgive their sins, which, though red as scarlet, would become white as wool, if they trusted that by that death he had taken their sins upon himself, and had become their Saviour, their Advocate, their great High Priest.

Winnemak having thus become a Christian, did not rest content until he had used every effort to convert the whole of his tribe. Nor did he stop here: he went to other tribes; and when he found his own influence was not sufficient, he procured the assistance of white missionaries, whom he supported and protected.

His example was followed by his former enemy Piomingo, whose young wife and himself became industrious settlers—the greater number of their tribe completely abandoning their old barbarous customs. The only regret of Winnemak was that he and his people had not received these glorious tidings in earlier days, before they had almost ceased to exist as a people in the land where once their warriors were counted by thousands.

But I have been anticipating events. From several
